### PRESIDENT HARDING LAUDS POST WAR BUSINESS REVIVAL IN MONTANA SPEECH

BUTTE, Mont., June 28.—(By the Associated Press.) President Harding today a report of the post-war revival of business. President Harding declared that national mobilization by business, labor and government forces to overcome depression, "was no less accomplished than the great co-operation to win the war."

Outlining the steps taken under government direction to wipe out unemployment and to restore confidence in business, the president asserted "if our procedures have been rather plain and old-fashioned, they have yet produced results that justify pride and require no apology."

### INSPECTOR CONNOR SOUNDS WARNING

In connection with the approach of the Fourth of July season, City Building Inspector Francis A. Connor today brought to public attention the need of the utmost care in the matter of fire hazards, particularly in empty or unused buildings.

The inspector pointed out Section 66 of the city building ordinance, which says:

"Whenever a building, or a part of a building, such as a store, tenement or other sub-division, becomes vacant

exchange their stock of excitement for a modest share in our American accumulation of simple contentment and dinner table necessities."

The president said he did not present the report on revived business conditions, "as the accomplishment of a particular administration or the justification of any party's claim upon the public confidence."

"Rather, it is placed before you as testimony to the supreme sense and sound genius of a nation which could shake its co-operation extend to a continent and its altruism embrace a hundred million of humanity," he added. "That is what the American people have done in the last two years. No other people has had the fortune to parallel the achievement. None other looks out today upon so clear a horizon; and I venture that we stand only in the doorway of the new era. Thus convinced, I know that you will permit me to add just one word for the pride, the satisfaction and the

or unoccupied, the owner shall at once cause all doors and windows to be securely locked and kept so during time of vacancy."

"Empty and unused buildings are fire hazards," said Superintendent Connor, "particularly at this season of the year and property owners cannot be too cautious in their attention to the matter of locks, both on windows and doors."

## To the Public

A condensed statement of the demands upon which the present strike is based is as follows:

A reduction from 8 to 7 hours' work a day. As recess time of one-half hour is given, this would mean only 6½ hours of actual work a day.

A large increase in wages, which, together with the shorter hours, would mean an increase of nearly 50 per cent. in operators' wage expense.

We believe these demands are unreasonable and unwarranted for the following reasons:

1. The hours of work are already less than in comparable industries.

2. The present wages are the maximum war-time wages; no reductions having been made, as in most other industries.

3. The general satisfaction with our wage and working conditions, as shown by a labor turnover of less than 16 per cent. a year, whereas, in general mercantile or manufacturing concerns, a labor turnover ranging from 50 per cent. to 100 per cent. is considered normal.

4. Long waiting lists of desirable applicants, and these without advertising.

5. Steady employment for 52 weeks in the year.

6. Annual vacations of two weeks with full pay.

7. In large offices lunches provided at cost of food and its preparation. The overhead cost being borne by the company.

8. A benefit plan, provided without cost to employees, under which they are paid for time lost due to illness.

9. Operating rooms, recreation rooms, and all other working conditions are of the best.

We believe the wages and working conditions of our employees, when measured by every reasonable standard, are eminently fair and just, and we ask the consideration of the public for any inconvenience which they may temporarily encounter during the steady restoration of service in the relatively small number of Exchanges still affected by the strike.

Little Change in Telephone Strike, Now Passing Through its Fourth Day

BOSTON, June 28.—Service conditions from the public's viewpoint in the territory of the New England Telephone and Telegraph Co., which covers all the states of New England except Connecticut, showed little change today from yesterday as a result of the strike of operators.

Officials of the operators' union who are out for a seven-hour day and higher wages claimed today that more girls were out than on any day since the strike began last Tuesday. They announced that they had been promised the support of the cable splicers' union and that members of that union would go on picket duty for the operators tonight.

The morning bulletin issued from the executive offices of the telephone company said the company's reports showed no defections, but on the

RECORD NUMBER OF PERMITS

A city record was broken today when the chief of the fire department issued the 25th permit to sell fireworks from now until July 10. Last year, also a record-breaker, saw 225 permits issued. It is expected that there will be still more permits applied for between now and early next week.

### RUM RUNNERS USE NEW SCHEME TO EVADE CAPTURE

SARANAC LAKE, N. Y., June 29.—Adirondack rum runners have hit upon a new scheme to evade capture. They carry a child on the rear seat of the booze cars. Federal officers chasing a big touring car loaded with beer did not dare fire in an effort to halt the fleeing machine because of a little boy riding in the tonneau. They finally captured the machine and arrested the driver.

### LOWELL DISTRICT COURT

Five Violators of Automobile Laws Arraigned Today—Other Cases

Through the activities of Officer Gilbert H. Hayes, of the state constabulary, five violators of the automobile laws were arraigned before Judge Enright in the district court this morning. William K. Duffy, of Brighton, pleaded not guilty to operating an automobile in a manner to endanger the lives and safety of the public in North Billerica. The officer stated that he saw defendant pass two cars at an excessive rate of speed, stopped him and took his registration.

### FIRE IN WASTE COMPANY'S PLANT

Fire in the plant of the Lowell Waste Co. in Congress street, believed to have been caused by spontaneous combustion, was responsible for an alarm from box 34 at 11:37 o'clock last night. When the firemen reached the premises the blaze, which was on the street floor of the building, had worked its way to the second story. Several lines of hose were laid, and the fire was confined to the ceiling of the first floor. The room contained large rolls of paper, which were damaged considerably by water from the automatic sprinklers.

### REUNION OF THE ALUMNI

Many High School Graduates Participate in Happy Affair Last Night

Alumni Association Presents Cyrus W. Irish Portrait to School

Graduates of other days mingled with those of more recent times at the high school last evening during the annual alumni reunion and reception to the senior class which was graduated on Wednesday evening. In every respect the affair was a success and undoubtedly will become more and more enjoyable as it is continued at the new building.

Perhaps the feature of the evening's varied program was the presentation to the school by the Alumni Association of an oil portrait of Cyrus W. Irish, for many years beloved as headmaster. The picture was presented for the association by Charles H. McIntire, class of 1884, and was accepted.

### CHILDREN WERE WELL ENTERTAINED

Fifty boys and girls were made happy last evening when, under the auspices of Centralville Breakers lodge, 131 O.C.E., they were royally entertained at a children's party. The affair was conducted in the assembly hall of the lodge, after the regular meeting of the organization, and consisted of an entertainment program, games and the serving of refreshments.

Little Miss Virginia Lavallee, 8-year-old daughter of Mr. and Mrs. George Lavallee of Mammoth Road, entertained with dancing numbers and recitations and her part of the program was highly enjoyed. There were also entertainment numbers by members of the lodge and the remainder of the evening was taken up with games of all descriptions under the direction of a committee headed by Miss Maude Flumstead, P.N.G.

### CITY PARK DEPARTMENT SELLS LOTS ON THE MIDWAY FOR THE FOURTH OF JULY

The city park department today sold at auction approximately 100 concessions lots on the midway to be established as usual on the South common for the Fourth of July. Miss Anna Hennessy, clerk in the park department office, took in the money and Building Officer Dan Lane kept under his eye what the lots will bring for several days, but it was estimated this noon that this forenoon's business amounted to about \$1500.

The auction was held in the old council chamber, with Cornelius F. Cronin as auctioneer and master of ceremonies. The man in charge was John W. Kernan, park superintendent.

At one time there were as many as 100 men and women in the chamber anxious to secure choice locations and the bidding was spirited and satisfactory. The standard prices of lots were \$10, \$20 and \$25, plus premiums which ranged from \$1 to \$15.

Municipal Fireworks Arrive

The city's stock of fireworks for evening display as a part of the municipal Fourth of July celebration, arrived today in a delivery coach on the South common. Arrangements will be made to keep a watchman on the premises from now until the "big noise" next Wednesday night. The value of the display is \$1000 and every precaution will be taken against stray matches.

### COAL MINERS PREPARE DEMANDS FOR WAGE INCREASES

SCRANTON, Pa., June 29.—A day for adoption and submission to a demand for a twenty per cent. increase in the contract wage scale with an increase of a dollar a day for all men paid by the day was presented to the anthracite miners' convention here today.

## SALE YESTERDAY OF BIG TENEMENT BLOCK

The fifteen tenement building and 6000 square feet of land located at 283-285 Lakewood avenue and owned by Mrs. Celia Desmarais of Fisher street was sold yesterday to James C. Smith. The sale was effected through the office of Frank Welch and the sale price was reported to be in the vicinity of \$20,000.

## WASHINGTON CLUB OUTING BEST EVER

Like the mighty "Cory" of baseball history, Captain Dan McQuade drove his team of married baseball players to victory over the single men, in the big feature of the annual outing of the Washington club held at the Martin Luther grounds at Tynesboro yesterday afternoon. The married captain's long climb with the back loaded in the ninth gave the men in double harness a 4 to 2 victory over Captain John Parmenter's single men, who previous to the crowd drive were leading 2 to 6. Tommy Kelley's base running and sliding secured the zone and gave it the classic cast of a big league.

The married men with Thomas Duffy, Charles Snowy, Edward Brennan and Frank McQuade entered in the relay race with their single opponents, routed them to a clinic victory. In a thrilling finish, Dr. R. J. Gendreau won first place in driving a golf ball for distance, and Dr. Norris finished a close second. John F. Adams and John E. Welch were the victors in the 100 yard race. Frank J. McQuade carried off first place in the obstacle race, and Louis Clements the blindfold race. Johnnie Hogan of radio fame won the fat men's race.

The outing was one of the most successful in the history of the club, and everyone had the time of his life. A large number of contestants took part in the various events. Stewart Hazard scored a hit with the club members with a well cooked feed which brought the affair to a close. Major John J. Donovan was among the gathering of over 100 club members who attended the outing.

## SALEM MILL WILL CLOSE FOR WEEK

SALEM, June 29.—The Naumkeag Steam Cotton mills posted notice this morning that the mill will be closed down for the first two weeks in July for the annual vacation period. Agent J. Foster Smith states it is not on account of business depression, but simply for vacation purposes. The mill has been running to capacity since July 17 last year.

## Reunion of the Alumni

Continued

reported for the school by Mayor John J. Donovan as chairman of the school committee.

Early in the program given in the school auditorium, alumni met by class in rooms marked for their use and later in the evening there were many opportunities for social exchange, bridge whist and general dancing in Colburn hall.

At the exercises in the Cyrus W. Irish auditorium, representatives of eight classes spoke on matters that closely pertain to the school, past and present and in addition there were songs by Miss Caroline V. Urbanek and James E. Donnelly and a hearty word of welcome by Headmaster Henry H. Harris. Mr. Harris' welcoming address was replied to by James J. Dougherty of this year's class, after which Mr. Harris read a most interesting letter from Mrs. A. M. McGee, of Middlebury, N. J., 84 years of age and a member of the class of 1874.

Enthusiastic indeed was the greeting extended to Miss Mary A. Webster, for half a century a teacher at the school and a member of the class of 1888. She gave many interesting and amusing recollections of the early life of the school, speaking particularly of her own class which numbered 11 members.

The beautiful voice of Miss Urbanek was heard and thoroughly enjoyed in two songs, "Break of Day" by Sanderson and "Somewhere a Voice Is Calling" by Tate.

Five-minute talks on what the school should stand for in the lives of all her graduates were given by Catherine Jackson, 1921, William Twiss, 1922, and Bennett Silverman, 1922. Mrs. Alice D. Pearson spoke for the school committee and two songs by Mr. Donnelly struck a responsive chord. Dr. John H. Lamb, a member of the school, spoke as a representative of the high school building committee and Mr. Harris then presented Charles H. McIntire to present the Cyrus W. Irish portrait to the school.

In his presentation speech, Mr. McIntire said:

"Mr. President, Members of the School Board, Fellow Alumni, Ladies and Gentlemen:

"We are gathered here tonight for the purpose, among other things, to pay our tribute to the memory of our great fellow alumnus, a por-

mer headmaster of this school, Cyrus Wendall Irish, who died July 2, 1917. "He was born in Buckfield, Maine, Aug. 27, 1862, the youngest child of Cyrus and Catherine (Davis) Irish. They were of old New England stock, thrifty and ambitious for the welfare of their children, and at an early date in the life of the boy they had determined that he should have the foundation of an honorable career. The boy attended such schools as the town provided, and his schooling was supplemented by instruction at home.

"At the age of 15 he became an orphan and came to Lowell to live with his elder brother, the late Dr. John C. Irish, and entered the Lowell high school in the fall of 1878 as a sophomore and joined the class of '81, under the direction of the then principal, the late Charles C. Chase and his able assistant, our well-beloved Mary A. Webster. He was fitted for college and was graduated with the class of '81, and entered Harvard college in the fall of the same year.

"The class of 1881 in preparing for college majored in physics and chemistry, and he entered Harvard with a maximum preparation in these branches. During his college course he continued to specialize in these two branches and this special training subsequently earned for him his appoint-

ment as a teacher in the Lowell high school.

"He was graduated from Harvard with an A.B. degree in the class of 1885 and was immediately granted a certificate to teach by the school board in the public schools of Lowell. During the years 1885-6 he substituted as a teacher in the grammar schools and in July, 1886, he was selected a permanent teacher in the Lowell high school and immediately began teaching chemistry and continued to do so until 1897, when he was elected headmaster of the Lowell high school, and served in that capacity until his untimely death.

"He was quiet, thoughtful and democratic, genial, lovable, respected and appreciated by students and teachers alike, as student, teacher and master.

"He was my class mate and friend and I knew him well, a country boy, a trifle modest, of sound mind and body but not vigorous, a good student, a close observer, and in the three years of closest association, in the class room and school, I never knew him to lose his temper or show anger to teacher or fellow student.

"I saw him at frequent intervals during his college career and he was ever the same, and he maintained the same even disposition to the end of his life, always just, always fair and reasonable.

"The instruction of youth was his hobby and the Lowell high school of today was his dream school, which unfortunately he did not live to see a reality.

"He was a man of vision and high ideals. Intensely interested in his school, its future and its activities, he saw the Lowell high school of the future, not only in the present physical form but the best of its kind in all the land, and in his enthusiasm and ambition to realize this vision and make it come true, he worked beyond his strength. He gave all his strength and his working life to the school and toward the realization of the high school of today, which stands as a monument to his labor, ideas and ideals.

"And we, his classmates, teachers, and pupils, all alumni of this school, as a simple tribute to his memory and as an appreciation of his tireless, unselfish and life-long interest and labor in, and in behalf of, the Lowell high school, present to it this portrait, true to life, of our beloved classmate, instructor, fellow alumnus and friend, with the hope that it may adorn these noble walls for the years to come and be an inspiration for teachers and students alike to make this school the best of the kind in all the land, and thereby prove true the vision of its

late beloved master, Cyrus Wendall Irish."

It was accepted by Mayor John J. Donovan. Overture and recessional music was played by the school orchestra, directed by Frederick G. Hunt.

During the dancing in the upper hall, a program of dances was given under the direction of Miss Frances R. H. Leggat, teacher of physical culture at the high school. Miss Katherine Harrington did a beautiful interpretation of Liszt's "Liebesfreud," Misses Winifred Lester, Alice Buchner, Gladys Thurston, Estelle Buckley and Jean Chapman did a beautiful fantasy, "Dance of the Flowers" and the popular "Parade of the Wooden Soldiers" was done by Misses Sara O'Brien, Margaret Flynn, Gertrude Quirk, Etta Flynn Edith Farrington, Antigone Taggas.

The general alumni committee in charge of the reunion and reception included Henry H. Harris, Robert F. Marden, Winifred C. Haggerty, Hon. John Jacob Rogers, Nellie D. Horner, Marion M. Ryan, William Center, M. Alice Cox, Josephine M. Ockington, Edward W. Trull, Charles H. McIntire, Major Frederick A. Estes, Henry Silverblatt, Raymond W. Slater and Arthur L. Eno.

## Phone Strike Pickets Held

Contrary to a number of additions to the operating forces in various exchanges through the return of old operators and the employment of new ones.

The company bulletin have some details of conditions in cities outside of Boston, where there have been interruptions in service as follows:

"Brookton had four less old operators on duty, but had added seven new ones. The working force represents 70 per cent. of the normal quota."

"There was practically no change from yesterday in conditions at Lynn and Salem, except that at Salem three more of the old force had returned to work."

"Fall River had a full normal quota, three-fourths of which was made-up of the old force."

"At Lewiston and Portland, where a mere handful of employees went out, a normal force was at work and at each of these places one of the old force had returned."

Chief Justice Bolster of the municipal court today refused the application of the police for a warrant charging the girls arrested yesterday with leading a riot, but issued warrants charging disturbance of the peace and obstruction of the public highway.

After refusing the application of the police for a warrant charging 10 striking telephone operators with leading a riot, Chief Justice Bolster of the municipal court continued cases until next Tuesday on charges of disturbing the peace and obstructing the public highway.

## Pyorrhea

IN RECENT laboratory tests the saliva of pyorrhea patients reeking with bacteria was subjected to a solution of one part Zonite to fifty parts water. In one minute all germs were killed.

To check incipient pyorrhea or to avoid the disease, have your teeth inspected regularly by your dentist, throw away flavored, pleasant tasting mouth washes, and use Zonite at least once a day.

Zonite by standard laboratory tests has more germicidal power than pure carbolic acid, more than 75 times the power of peroxide, and more than 100 times the power of mouth washes and gargles heretofore in general use.

## FUNERALS

**SANFORD**—The funeral of Ella J. Sanford took place yesterday afternoon from the home of her sister, Mrs. Edward Ballock, pastor of the First Baptist church, of which she was a member, and also conducted the funeral services. Burial was in the Sherburne cemetery, Tyngsboro. Undertaker George M. Eastman had charge of the funeral arrangements.

**WIDEN**—The funeral services for Edward G. Widen were held yesterday afternoon at the home of his sister, Mrs. Gustaf Anderson, 3 Breuntham road, North Billerica, and were conducted by Rev. Chester J. Armstrong, pastor of the North Billerica Baptist church. Several appropriate selections were sung by Mrs. Fred L. Roberts and Fred Widen. There was a large delegation of friends of both citizens and members representing Thomas Talbot lodge, A. F. of M., also the following members representing the Lowell Musicians' association: T. M. McDermott, J. E. Moran, William F. Gilmore, T. J. Dowd, J. J. Giblin and C. P. Miner. The floral tributes were numerous. The bearers were Earl True, Edward Anderson, Arthur Schmitt and Lester Mason. Burial was in the family lot in the Edison cemetery where the graves of several relatives were also located. The funeral services were held by Everett Bull, worshipful master, and Rev. James Walsh, chaplain of the Thomas Talbot lodge, A. F. of M. The funeral arrangements were in charge of Undertaker William H. Saunders.

**FAV**—The funeral of Patrick T. Fay, who died in Wells, Minn., took place yesterday afternoon from the home of Undertakers James F. (Daniel) & Sons and was largely attended. The bearers were Clarence and Ralph Porter, James Francis, William and John Jackson. There were many floral offerings. Burial was in the family lot in St. Patrick's cemetery, where the funeral prayers were read by Rev. Jos. A. Curtin.

**LUIZ**—The funeral of Maria Luiz took place Thursday at 1:30 o'clock from the funeral parlors of Undertakers M. H. McDonough Sons and was attended by sorrowing relatives and friends. **CARD OF THANKS**  
To those who by their acts of kindness, expressions of sympathy and offerings of floral tributes and spiritual bouquets served to lighten the burden of our grief on the death of our beloved wife, daughter and sister, Mrs. Esther M. (Killoy) Reed, we wish to extend our sincere thanks and heartfelt gratitude. To the nurses and officials of the Lowell General hospital, and to the graduates and pupils of Notre Dame, and of Ward's Business college are we especially grateful. Such evidence of the true Christian spirit we will ever cherish in loving remembrance.

Continued

gratitude which the national administration feels in having been able to contribute something of suggestion, leadership and direction to this accomplishment. We will not claim much, for the great end could have been attained only through the cooperation, in spirit, purpose and patriotism of the whole American nation.

"Two years ago we made a careful census of unemployment in the United States and found four million five hundred thousand or five million workers without jobs. That was bad, but since then matters have been

reversed and if nowadays we are disposed to worry about the problem of unemployment, we have to consider ways and means to fill a half million or a million jobs which want workers and can't find them. That is the simplest picture of the industrial evolution of the last two years. That is the bedrock foundation on which American business and American administration have erected their confidence that this people will not be led into the paths of devotional experimentation, the mazes of untried economic theory, the labyrinth of doctrinaire 'ultrism'."

Among the efforts taken to achieve this end, the president mentioned reduction of the tax burden, reductions in the federal reserve discount rate, lightening and more equitable distribution of the tax burden, the anti-trust conference, revival of the federal farm loan board and the finance corporation and the national conferences on unemployment and housing.

The address here was the first of a series of addresses given by the president at Helena, Montana. The other will be given

## QUICK RELIEF FOR SORE, TIRED FEET

"After a long, hot day on my feet I run for TIZ," writes a city salesman. "No matter how my feet ache and burn, TIZ draws out all the pain and I'm as good as new."  
TIZ is magical. Acts right off. Stops the pain of corns, bunions, callouses, sore spots.  
A few cents buy a box of TIZ at any drug or department store. Have feet that never swell, never hurt, never get tired.—Adv.

## MATRIMONIAL

Mr. John J. Mahoney, former principal of the Lowell Normal school and residing in Lawrence and Miss Mildred Hodgman of Taunton were married Wednesday at the Catholic church of Roxbury, the ceremony being performed by Rev. Mark DeCosta. The bride was Miss Mary L. Gull, assistant state director of adult education, while the best man was Mr. Louis A. Mahoney, a brother of the groom. The bride is a graduate of Pine Manor, 17, and has been city director of Americanization in the public schools of Taunton. The couple will make their home in Water-town.

## Gilligan—Aker

The marriage of Mr. Harry M. Aker and Miss Marion Gilligan took place Wednesday evening at the home of the bride, in Kimball avenue, the officiating clergyman being Rev. Edward Babcock, of the First Baptist church. Miss Edith Maylay was bridesmaid, while the best man was Mr. C. Frederick Flynn. The couple will make their home at 12 Kimball avenue.

## Murphy—Willett

Mr. Albert J. Murphy and Miss Victoria M. Willett were married Wednesday at St. Mary's church, Cambridge, the officiating clergyman being Rev. M. C. Gagnier. Miss Mary M. Willett was bridesmaid, while the best man was Mr. Philip Murphy. The couple will make their home at 638 Main-street road, Deane.

## Dobson—Teal

At St. John's Episcopal church Wednesday, Mr. David Webb Dobson and Miss Winifred May Teal were united in the bonds of matrimony, the ceremony being performed by Rev. Henry Gumbey. Miss Irene Teal and Mr. Irving Teal, sister and brother of the bride, acted as bridesmaid and best man. The couple will make their home at 1245 Lawrence street.

## Delaney—Roarke

The wedding of Mr. James Delaney and Miss Nino Roarke took place Wednesday at St. Patrick's rectory, the ceremony being performed by Rev. J. A. Curtin. The bride wore white crepe de chine trimmed with silver lace and veil of silk and carried bridal roses. She was attended by a sister of the groom, Miss Anna Delaney, who was attired in peach-colored crepe de chine with hat to match and carried American beauty roses. The best man was Mr. James P. Roarke, Jr., a brother of the bride. The bride's gift to the bride was a ruby ring, while the groom's favor to the best man was a pair of gold cuff links. After the ceremony a reception was held at the home of the bride, 18 Cross street. After an extended honeymoon trip to New York the couple will make their home at 219 Cross street.

TESTIMONIAL DINNER  
TO HUGH J. MOLLOY

Arrangements are complete in hand for the testimonial dinner to be tendered Hugh J. Molloy, superintendent of schools, in Liberty hall this evening in recognition of the completion of 10 years of service to the community of Massachusetts as an educator, citizen and soldier.

Twelve speakers, each a personal friend of Mr. Molloy, will be presented by Toastmaster James C. Reilly. Although there may be reasons why all of the expected guests cannot attend, the program carries the following well-known names: Capt. Royal P. White, Mayor John J. Donovan, Frank W. Wright, director, state department of education; Joseph E. Burke, superintendent of schools, Boston; Rev. Chas. J. Gallagher, James H. Riley, Rev. Caleb E. Fisher, James O'Sullivan, Patrick J. Reynolds, Hon. Perry D. Thompson, Capt. Joseph A. Molloy and Edward Fisher.

DOCTORS MUM  
ON PROHIBITION

SAN FRANCISCO, June 28.—The American Medical association, in convention here late yesterday, declined to do an record regarding prohibition. It asked four resolutions directed at provisions of the Volstead act.

William Allen Percy, eminent dermatologist and professor of skin diseases in the University of Illinois Medical college, was elected president and Chicago was chosen as the 1924 convention place.

The delegates endorsed the action of Governor Smith of New York in calling a conference of representative members of organized medicine to draft health legislation.

Lowell District Court

tion and license numbers. Duffy denied that he had been in North Billerica on the day in question, claiming that he was in Framingham, with a girl friend. He said he did not understand how the officers could have number as he had his certificate with him in Framingham and not in North Billerica. The court ordered him to produce witnesses from Framingham and to recognize in the sum of \$100 for his appearance in court on July 6. The court indicated that a severe penalty would be imposed on a defendant if he were lying.

A fine of \$100 was imposed on James Johnson for driving an automobile on an excessive rate of speed on the Lowell-Billerica highway, where for a similar offense on this same stretch of road, William de Montigny paid a fine of \$100. Officer Neveu stated, during the testimony in this case, that residents of East Billerica and Chelmsford had written to the office of the state council in favor of increasing the speed limit on the road from 20 to 30 miles an hour.

The fourth victim of the round-up was Louis L. Wengert, who paid a fine of \$100 for driving a car.

Frank H. Sebastian was found guilty of speeding and was ordered discharged. The officer stated that Sebastian was going between 40 and 50 miles an hour on an eighth of a mile near Smith's corner in Billerica. The statute says the operator of a car must speed for a distance of at least a quarter of a mile and it was on this locality that Sebastian was charged.

**Threatening Notes**  
Jean de Nobrega, the 15-year-old author of threatening notes to local doctor and several theatre managers, was found guilty of threatening and placed in the care of the probation officer for a term of one month. The doctor who received the notes is Dr. M. E. Cunha, who appeared in court this morning. De Nobrega was arrested last Sunday in the rear of the first street car driven by Officer Edward Linton. Rev. Mr. Rees of the Elit-chon church has taken the youth in his charge.

**Other Offenders**  
Kusta Kailla, appearing for drunken-

ness, was ordered committed to the house of correction for a term of six months, a suspended sentence to that effect being revoked.

Philip J. Falvey, for indecent act, was continued in \$200 until July 9.

Charges of assault and battery and non support, preferred against Frank C. Lloyd by his wife, were withdrawn by the latter and the defendant dismissed. A similar charge against Eben Alberta was continued until July 23.

A continuance until tomorrow was granted Mary Wogala, charged with illegal keeping.

ORGANIZER REAGAN  
BACK FROM CANADA

Thomas J. Reagan of this city, general organizer for the United Textile Workers of America arrived home yesterday from a ten-days' trip through the Dominion of Canada. Mr. Reagan went to Montreal, N. B., to settle grievances existing between employers and employees of the Canadian Cotton Co. It seems that the 800 or more employees of that plant who are all connected with the United Textile Workers of America, are dissatisfied with working conditions as well

as the rate of wages being paid them and a couple of weeks ago threatened to go out on strike unless their difficulties were adjusted.

Mr. Reagan conferred with the employees of the plant and later went to Montreal, where he held a long conference with Vice-President Dawson of the Canadian Cotton Co., who assured him that all grievances would be satisfactorily adjusted before July 15. This report of progress was brought back to the employees, who decided to wait until that time before taking any drastic action. The employees of the

Canadian Cotton Co. work 60 hours a week, 10 hours a day for five days.

FRENCH EXTEND  
LINES IN RUHR

COBLENZ, June 28.—(By the Associated Press) The French today extended their occupation in the Mayence-bridgehead to Langen, on the Darmstadt-Frankfurt railroad line, eight miles south of Frankfurt and Eschborn on the Frankfurt-Kronberg line, 7½ miles northwest of Frankfurt. The extension is a penalty for recent sabotage on the railroads.

WANT REFERENDUM  
ON VOLSTEAD ACT

Petitions for a referendum on chapter 370 of the acts of 1923 calling for the enforcement by the state of the Volstead act, are being circulated in this city by the Constitution Liberty League of Massachusetts. The petitions request that the operation of such law be suspended in this state. D. F. Silbey, treasurer of the league, was a visitor in this city this morning and he called at the office of the Lowell Textile council in Trades &

Labor hall, Central street, and conferred with the president of the council, John Hanley, on the matter. He stated that the referendum will not be placed on the ballot until the 1924 state election and in order to accomplish its aim the league has to get about 50,000 signatures to the petitions, although 15,000 signatures are sufficient to get the referendum on the ballot. Mr. Silbey left numerous copies of the petitions with Mr. Hanley, with the understanding that they be called to the attention of the members of the various labor unions at their regular meetings.

## BIG THREE-DAY GARDEN PARTY OPENED AT ST. COLUMBA'S CHURCH LAST NIGHT

Rain Failed to Dampen Ardor of Parishioners and Visitors on Opening Night of Big Event—Speakers Included Mayor Donovan, Rev. John J. McGarry, D. C. L., Rev. John J. Powers and Mayor Quinn of Cambridge

If the intermittent showers of last evening were intended to disparage and depreciate the efforts of the sponsors and patrons of St. Columba's garden party, they failed of their purpose, for the big three-day affair was formally opened as per schedule shortly before 8 o'clock with a list of speakers, including Gen. Mgr. Warren P. Riordan, Mayor John J. Donovan, Rev. John J. McGarry, D. C. L., pastor of St. Patrick's church, Rev. John J. Powers, pastor of St. Columba's, and Hon. Edward Quinn, mayor of Cambridge. A far from discouraged gathering was present during the speech-making, and the several artistically arranged booths did a prosperous and thriving business after the party was officially declared open. Several visitors from Cambridge were on hand, including a delegation from the church of the Blessed Sacrament with which Fr. Powers was connected before coming to Lowell.

General Manager Riordan was the toastmaster of the evening. Before introducing the speakers, he extended a hearty and generous welcome to all and thanked the various chairmen and their assistants for the co-operation and good will shown by them in the preparations for the event. He then introduced Mayor Donovan, who said he was glad to be among those present and after a few informal remarks, he declared the carnival officially open.

Rev. Dr. McGarry was the next speaker and in presenting him to the gathering, Toastmaster Riordan remarked, "St. Columba's is part and parcel of the pioneer Catholic church in Lowell. St. Patrick's, and now the lusty 11-year-old daughter awaits the word of her mother church." Dr. McGarry in opening said it was a pleasant occasion for him to be present. Before coming to Lowell, he said, he had an idea that Pawtucketville was a suburb of Pawtucket, R. I. If he was next confronted with a setting of

ple he had to work with, and in referring to the building of a new St. Columba's he remarked that faith had a great deal to do with such a proposition.

Mayor Quinn of Cambridge, a personal friend of both Fr. Powers and Dr. McGarry, came to show, he said, the high regard in which Fr. Powers is held in Cambridge where he was "an asset to the church and city. He is your gain and our loss." The visiting mayor again emphasized his pleasure at being present, and gave way to Fr. Powers. The latter spoke briefly, thanking Manager Riordan and all others who contributed to the undertaking and wishing everybody a good time.

The mid-way then claimed the attention of the increased attendance and in a few moments the church grounds were bustling with activity. At the Mammoth road entrance a huge arch, beautifully illuminated and gaily decorated in red, white and blue bunting, offered an attractive means of access to the spacious grounds. A row of suspended electric lights illuminated the intervening space between the entrance and the grounds proper, and in the latter area were spread out the booths of valuable wares with energetic salesmen and saleswomen ready to administer to the wants of the patrons.

On the first table was seen a group of novelty dolls, something out of the ordinary, stylishly dressed and with "come-and-get-me" eyes which proved magnetic to the extent of several purchases. Table Number Two presented an assortment of clocks, watches, fancy jewelry and other novelties of fantastic design. The third booth was arrayed with dolls, different from those on the first table, but equally attractive, while the neighboring stand contained a collection of chocolates and candies of every description, together with a couple of stationery, which didn't remain that way after scrutinizing eyes had glimpsed its beauty and value.

Following the crowd on its pleasant and surprising itinerary, the visitor was next confronted with a setting of

# MANY CLAIMS TAKEN UNDER ADVISEMENT

Attorney James J. Bruin appeared before the city council committee on claims last night, relative to the claim advanced by laborers in the ash department for compensation for overtime work, or work done beyond the 48-hour-week limit. The matter, as well as a number of other personal claims, was taken under advisement by the committee.

A test case on the matter of additional compensation for ash collectors now is in the courts and it is not expected the committee will make a decision until it is settled.

Members of the committee present were Chairman Daniel F. Moriarty, Donald M. Cameron and Eugene F. Fitzgerald. Councilors Arthur Genest and Daniel Conroy were unable to attend. City Solicitor Patrick J. Reynolds also was present.

# MUST PRODUCE WARD CABLES

WHITE PLAINS, N. Y., June 29.—Supreme Court Justice Wagner today announced his decision that the contested cablegrams that passed between Geo. R. Ward, president of the Ward Hacking company, and his son, Ralph, relative to the blackmail plot which Walter S. Ward claims caused his slaying, in self-defense of Clarence Peters, should be presented to the extraordinary grand jury investigating the slaying.

Justice Wagner's decision, however, did not pass upon the question of whether the messages might be placed in evidence before the grand jury, merely directing that the Western Union and Commercial Cable Co. produce their copies in the grand jury room.

# Winners of Carney Medals at Lowell High School

NORBERT LAWRENCE O'BRIEN

IRENE MARIE GILET

EDITH ANN ADLER

DOROTHY CLAIRE DONOHUE

CARL THORSTON CARLSON

FOSTER HERBERT RICHARDS

Of outstanding interest at the high school graduation exercises on Wednesday evening was the award of Carney medals, emblematic of extraordinary scholastic attainments during the school course. The medals typify the highest possible grade of academic accomplishment and are earnestly sought,

but limited to the number of six, three boys and three girls.

The winners in the 1923 class were Edith Ann Adler, Irene M. Gilet, Dorothy C. Donohue, Norbert L. O'Brien, Foster Herbert Richards and Carl T. Carlson.

Edith Ann Adler is the daughter of Mr. and Mrs. Walter Adler, 20 Crowley

street. She prepared at the Butler grammar school. She was the salutatorian of her class and also was awarded a 100-word certificate in stenography.

Irene Marie Gilet entered the high school from the Washington grammar school. She is the daughter of James Gilet of 993 Chelmsford street. In her junior year she received the medal

award for excellence in United States history and served as a captain in the girls' battalion in her senior year.

Dorothy Claire Donohue, daughter of Mr. and Mrs. Timothy Donohue of 242 Moore street is a product of the Sacred Heart school. She will enter the Boston University School of Liberal Arts next fall. She is the third of her fam-

ily to receive a Carney medal award. Norbert Lawrence O'Brien is the son of Mr. and Mrs. Daniel S. O'Brien of 91 Riverside street. He was valedictorian of the 1923 class and was editor-in-chief of the Review. He will enter Holy Cross college in September.

Carl Thornton Carlson is the son of Albert E. Carlson of 278 Chelmsford

street. He prepared at the Washington school. He served as a captain in the school regiment this year.

Foster Herbert Richards is the son of Mrs. Elizabeth Richardson of Ira-our and entered the high school from the grammar school in Collierville. This year he was major of the first battalion in the school regiment.

# Delicious Iced-Tea - Without Boiling Water!

Is a Marvelous Discovery Made  
Possible By **TAO TEA BALLS**

No Boiling or Heating Water. No Waste of Ice.  
No Waste of Tea. Simplest Method Ever Devised.

Drop one or two Tao Tea Balls into a teapot of cold water (not ice-water) after breakfast, and for luncheon you have the most fragrant and delicately-flavored tea you ever tasted. (Use one ball to four cups.)

Add a chip of ice to frost it, and a slice of lemon, and it's ready to serve. Sweeten with powdered sugar.

Think what this means. Making Tao Iced-Tea is as easy as drawing water from the faucet. No water to boil. No heat melting away your ice extravagantly and diluting the tea. No messy tea-leaves to clean up.

Only Tao Tea can be made in this way. The slow action of cold water extracts all the essential aroma and perfect flavor of this marvelous Flowery Orange Pekoe Blend. Nature put the exquisite flavor into the tiny bud-leaves slowly—it's best when you draw it out slowly.

The Tao Tea way requires three to four hours to bring out its full fragrance, but

no matter how long you leave it, Tao Tea never grows bitter. You can leave it as long as you want and be sure at any time of having perfectly flavored, amber-colored tea, ready to serve.

The most delicious iced-tea known. None of the flat taste of boiled water—only the sparkling clearness and vitality of fresh water mingled with the delicate flavor of this supreme Tao Tea.

Try iced-tea the Tao way today.

Tao Tea is packed in sterilized surgical-gauze balls. One ball makes 4 or more cups of wonderful tea—more economical than any other tea. Tao Tea is the supreme blend of tiny bud-leaves on the tips of the best plants of India, Ceylon, and Java. No coarse, fibrous, metallic-tasting leaves from further down the plant are used. Tea experts call it Flowery Orange Pekoe.

For making hot tea, follow instructions inside each package.

## LASKER TALKS ON SEIZURES

**Says Next Congress May  
Change Law Regarding  
Liquor on Ships**

**Action In Seizing Liquors a  
Blow to American Ship-  
ping, He Says**

CHICAGO, June 29.—Expressing belief that the next congress will change the Volstead Act to permit foreign ships to bring liquor under seal into the territorial waters of the United States, Albert D. Lasker, retiring head of the United States shipping board in a statement here said he had reason to believe dry as well as wet law makers would support such a measure. He said that the board had never been in favor of the Treasury department's ruling resulting in the policy of seizing liquor from foreign ships entering American ports. "It is absolutely wrong," he said, "to surmise that the ruling that prohibits foreign ships from bringing to this country a sufficient amount of liquor for the return trip was done as an aid to American shipping. Instead it is a blow and may be a big loss." Mr. Lasker said he did not fear international complications, asserting that there was nothing to prevent foreign ships leaving their liquor supplies outside the three mile limit and picking it up as they returned, which American ships may not do. "The point is," he said, "that in trying to make the ocean dry, the keeping of the land dry is endangered. I believe the dry advocates will see it that way and take steps accordingly."

## VANDALISM AT FORT HILL PARK

Robert H. Merrill and Frank H. Black, who were arrested at Fort Hill park by Officer William Pury last Sunday for destroying trees, were arraigned in the juvenile court this morning and their cases continued until next Friday. Their arrest followed a episode which some time ago by John W. Kernan, superintendent of parks, with the co-operation of the police department, to put a stop to vandalism.

## Three-Day Garden Party Continued

blankets on the fifth stand, while fancy needle work and embroideries constituted the attractions on the table adjoining. A rare collection of silverware, clocks, cameras, mantel sets and myriad other articles composed the stock of the seventh booth. The remaining spaces were occupied with a refreshment stand, dispensing tonics, sandwiches and ice cream, and an "African Dodge" who managed to escape the shooing and slants of erstwhile base-baller.

That completed the roster of stands last night. Other features will be added tonight and tomorrow afternoon and night. As a special attraction for this evening, the management has secured the services of a ladies' band from Cambridge, Daily's five and drum corps did the honors in the musical line last evening. Tomorrow afternoon, a children's entertainment will be given under the direction of Cornelius F. Cronin.

The chairman of the various committees, who were active during the successful progress of last evening's opening, are as follows:

Refreshments—Mrs. Patrick Brown.  
Candy—Miss Emeline Barry.  
Blanket and Puff tables—Cornelius F. Cronin.  
Tub table—William Finnich.  
Silverware table—William Mahan.  
Doll table—Joseph L. Quilley.  
Novelty table—Agnes McLaughlin.  
African dodge—Frank Shea.  
Printing committee—John Curran.  
Children's entertainment—Cornelius F. Cronin.

Auction table—Luke Queenan.  
Torpedo table—George Doran.

**Tonight's Program**  
The program for tonight will include music by the University Sextet orchestra from Cambridge and the following local talent:  
James O'Garra, Irish harpist; Patrick Callahan, violin; Mrs. Conway and daughter, May, in Irish dances; May Flanagan, and other well-known local talent.

## For Vacation Discomforts

The unaccustomed exercise of vacation-time is apt to make the muscles sore, stiff and painful. Other spoil-sports are sunburn, insect bites and poison oak or poison ivy.

Vicks can be applied to prevent these discomforts and is also a soothing relief. It helps, too, in case of summer colds, hay fever or headache.

## MANY LIQUOR CASES IN THE DISTRICT COURT

According to statistics compiled by Capt. Geo. B. Palmer of the local liquor and vice squad of the police department, officers under his jurisdiction dealt with 226 cases in the district court for the first six months of the year. His detailed report is as follows: Number of cases in court, 226; cases pending in district court, 18;

cases pending in the superior court, 24; number of months imposed in district court, \$1 amount of fines paid in district court, \$156; amount of fines paid in superior court, \$2808; cases defaulted in district court, 4; cases defaulted in superior court, 9; fines for carrying gun, \$300; fines for interfering with officers, \$100; fines for adultery, \$500; found guilty in superior court, 31 found not guilty in district court, 84.

## WILL OBSERVE SILVER WEDDING ANNIVERSARY

Mr. and Mrs. James F. Loftus, of

Sanborn street, will observe their silver wedding anniversary at their home next Sunday. No formal reception is being planned for the day, but a large number of their friends on next Sunday afternoon and evening. The anniversary falls on the 30th of the month, which would be tomorrow, but owing to the fact that it is Sunday, the couple decided to celebrate the event on Sunday. The couple were married in St. Patrick's church, South Lawrence, as Mrs. Loftus is a native of that city, but the greater part of their married life has been spent in Lowell, where Mr. Loftus is connected with the Goodrich furniture

store on Market street. Mrs. Loftus is an active member of several charitable and social organizations connected with St. Michael's church.

## LOWELL BOYS CHARGED WITH POCKET PICKING

James Fitzpatrick, Stanley Pekos and John J. Reardon, three local youths were arraigned in the superior court at East Cambridge yesterday on charges of pocket picking. Fitzpatrick was sentenced to Shirley and Pekos to the Lyman school, while Reardon was placed on probation.

The trio appealed sentences in the district court here some time ago. They were arrested after picking pockets in a downtown store.

## STRIKING MOLDERS WILL MEET TOMORROW

A special meeting of the molders of the Saco-Lowell and Kilton foundries, who have been out on strike for the past four weeks, will be held tomorrow morning at 9.30 o'clock in their

quarters in Trades & Labor hall, Central street. The president of the Massachusetts branch of the American Federation of Labor will address the gathering and it is hoped all will be present.

Organizer Murphy of the International Molders' Union of North America, who is practically in charge of the local strike, stated this morning that there has been no change in the strike conditions. "These men are holding out firm, while strikebreakers are attempting to fill their places," he said. It is expected that Vice President O'Neil of the I. M. U. of N. A., who was recently called away to Maine, will return to this city tomorrow morning at 9.30 o'clock in their row.

# MOTHER OF 14 FREED BY JURY

New York Woman Was  
Charged With the Murder  
of Her Husband

Freed Woman Now Plans to  
Go to the Country for  
a Rest

NEW YORK, June 29.—Two New York juries have returned verdicts of "not guilty" in the case of Mrs. Mary Louise, mother of 14 children, who had been charged with killing her husband John, an ex-prize fighter, who, she said, had attacked her after he had refused their youngest daughter money with which to buy food.

Night before last Mrs. Anna Buzzi was convicted of first degree murder. She shot Fred Schneider, a wealthy Bronx contractor, with whom she lived in a luxurious Grand Concourse apartment.

Today Mrs. Louise was planning to go to the country for a rest, her first in 30 years.

only a little more than 24 hours apart, passing upon the lives of women accused of murdering men.

Last night at midnight, Mrs. Mary Louise, mother of 14 children, six of whom are alive, was freed. She had been charged with killing her husband John, an ex-prize fighter, who, she said, had attacked her after he had refused their youngest daughter money with which to buy food.

Night before last Mrs. Anna Buzzi was convicted of first degree murder. She shot Fred Schneider, a wealthy Bronx contractor, with whom she lived in a luxurious Grand Concourse apartment.

Today Mrs. Louise was planning to go to the country for a rest, her first in 30 years.

# COMMENCEMENT BAN- QUET AND RECEPTION

The commencement banquet and reception of the members of this year's graduating class of Wood's Business College was held last night in one of the class rooms of the school. Principal Elliott Wood and Mr. and Mrs. Raymond Conway were the guests of the evening. Dinner was served at 6:30 o'clock and following the meal the real fun of the evening started. The class prophecy was read by Miss Dorothy Smith and the knook by Miss Esther Linder. A band orchestra composed of students of the school furnished music during the evening and dancing was enjoyed until a late hour.

This was the last get-together before the graduation, which is to be held tomorrow. The principal speaker in the graduation will be Hon. James E. Thompson, and the diploma will be presented by Mayor John J. Donaghy.

As part of their medicine supplies, the U. S. army is under medical orders to keep the United States public health service in mind. It has been instructed from Washington.

The situation was determined the amount of medical supplies needed on foreign duty and this part and who is in charge of the permit to permit them to follow instructions in the field.

Representatives of French and Italian consuls in Paris, however, declared the country to be in a state of emergency. It was said.

# PLAN BIG BON FIRE FOR "NIGHT BEFORE"

A grand "Night Before" celebration is being planned in No. 10, Chestnut Street, for the St. Louis, Mo. association of which Arthur H. E. Gilmore is an active and successful member. Already the plan of the celebration has been prepared and the purpose of spending a happy and profitable evening is being advertised.

The plan is to have a big bonfire in the city hall park. It is planned to have a pile that will stand from 60 to 100 feet high, to be lighted at midnight on the night before the Fourth of July. The only rule is a bonfire complied in these parts. It may be expected that several hundred Lowell people will be among those present to watch the burning spectacle.

Outside the fire, the committee in charge has arranged for a mid-way with all the favorite attractions. A band concert will be given during the evening and while the fire is in progress. On July 4, the activities will be continued with sporting events, including a ball game and track events.

Inside the fire, the committee in charge has arranged for a mid-way with all the favorite attractions. A band concert will be given during the evening and while the fire is in progress. On July 4, the activities will be continued with sporting events, including a ball game and track events.

**GAS PLANT FIRE CAUSES BIG LOSS**  
BATH, Me., June 29.—Fire which broke out at the gas plant of the Central Maine Power Co. early today burned a coal shed with 250 tons of soft coal and did other damage there. It then spread to the adjoining coal plant of Edward W. Larrabee, where it destroyed two coal sheds, a stable and storage house. Firemen had difficulty in preventing the spread of the flames to the gas plant. The loss was estimated at \$30,000, about evenly divided between the two concerns.

**BANK MAN'S CASE IS CONTINUED**  
CONCORD, Mass., June 29.—A continuance until July 13, was granted in the district court today in the case of John H. Garlick, charged with larceny from the Maynard Trust Co. assets of \$2000 were continued.

After a one day run on the bank last month a shortage in Garlick's accounts was announced when the state bank commissioner said after investigation several hundred dollars were missing. Garlick, who had previously disappeared, was arrested a few days later on a warrant charging larceny of \$2000. President Charles H. Crockett of the bank said that the bank's head of finance had been told by the man in the concern which had larceny and was charged for the bank and was understood that institution would be asked to cover the remainder of the shortage.

### COURT RAIMENTS COST \$200 AND \$300

LONDON, June 28.—Americans who were fortunate enough to share in the recent court of King George and Queen Mary found the privilege of meeting the British sovereign a rather expensive one.

To conform to accepted etiquette on such occasions it was necessary for the men to wear silk velvet suits with knee breeches, knee and shoe buckles, and silk stockings, the whole costing them something like \$200.

The women's raiment, consisting of court gown with long train, feathers and veil, tan gloves, slippers and silk stockings, represented an outlay of \$300 or more. These clothes were discarded immediately after the court function because they possess no utilitarian value.

There are certain imperative regulations which must be observed by women in court dress. Skirts must not be less than three inches from the ground, and trains must measure no more than six inches from the back of the wearer when standing. The veil, drawn into such garments,

must not be more than 45 inches long. Bouquets and fans are optional, but many women choose flowers.

### UNTER DER LINDEN NOW DOG MARKET

BERLIN, June 28.—Unter der Linden has become one of the world's greatest dog markets. Enterprising exporters and other Germans who have police dogs to offer, go to the heart of the tourist section of the city and parade their wares before the hotels and other centers thronged by foreigners, whose money stands high in relation to the declining marks.

While all the great police dogs of the wolf strain are muzzled and held on leash according to the municipal regulations, it does not prevent them from trying to fight. A police dog can fight more with a muzzle on than most other dogs can without one.

Several blind soldiers who patrol Unter der Linden seeking alms are led by giant police dogs, which are frequently attacked by strange dogs that are no respecters of disability and policemen have difficulty in protecting the blind men when they are the weaker when running. The veil, drawn into such garments,

### ASKS NEW DIVORCE FROM SAME WIFE

WASHINGTON, June 28.—Chester Carpenter, a government clerk, has the district supreme court wondering how often a man is entitled to a divorce from the same wife and for the same reasons. He filed yesterday his second petition so far this year. He obtained the first divorce March 5, at Madison, Va.

Then on May 17 he remarried his wife. His petition today names the same co-respondent. But now, it appears, he is convinced his wife's alleged affection for the co-respondent is persistent. The wife, Mrs. Charlotte R. Carpenter, is also a government clerk.

### ASSIGNED TO ST. ANDREW'S CHURCH

Rev. Richard Grewell, who was recently assigned to the priesthood, has been assigned to St. Andrew's church in North Philadelphia for the summer season. The new clergyman, who has already taken up his new duties, will assist Rev. Dr. Sullivan and Rev. Fr. Cunningham in the spiritual work of the parish.

### COURT GEN. SHIELDS

At a recent meeting of members of Court Gen. Shields, 116, P. of A., the following officers were elected for the ensuing year: John Hanley, chief; James H. Kennedy, sub-chief; James H. O'Donoghue, treasurer; James H. O'Donoghue, financial secretary; James H. O'Donoghue, recording secretary; Patrick Harkins, senior warden; J. W. Palmer, junior warden; Stephen Campbell, senior leader; James E. Long, junior leader; Frank J. Mullen, corresponding secretary; L. W. Collins, physical chairman. The institution will take place on the evening of July 12.

### HELD ANNUAL DINNER

The annual dinner and get-together for the members of the Athletic Association of the International Cotton mill took place last evening in Maple restaurant in Central street and was attended by over a hundred members of the organization. In the early part of the evening dinner was served and later an address was delivered by Miss Margaret Murphy, acting president of the association. Orchestra numbers were given and general dancing was enjoyed till a seasonable hour.

# YANKEES INCREASE MARGIN IN CLASH WITH ATHLETICS

New York Team Now Six Full Games to the Good—Ken Williams Closes Up on Ruth for Home Run Honors—Giants Keep Piling Up Lead, Winning Their Tenth Straight Game ever, That They Will Get Money

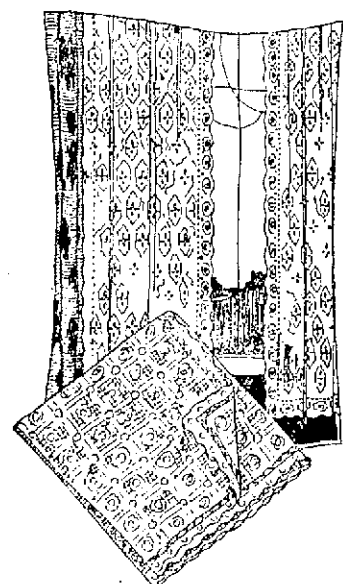

NEW YORK, June 29.—The New York Yankees won their first game of their decisive series with the Athletics yesterday and increased their margin in first place to six games. By winning the remaining three of the series Philadelphia can cut the lead in half, but they will be further away from the leadership than they were two weeks ago when it stood at two for 24 hours. St. Louis won first blood in the first division, Urban Shocker winning his 11th victory of the season and Ken Williams setting his 11th home run, bringing him within three of the league-leading Ruth. Boston beat Washington in the first of their series for last place and rain prevented the Chicago-Cleveland game.

form and Lou blew in the seventh inning after his team-mates had made seven runs, a lead of four. As St. Louis beat Chicago, 1 to 0, Dickerman's failure cost the Robins a chance to climb back in the first division. Fred Toney, veteran of veterans, was the finger who topped Grover Alexander after Grover in his last appearance had stopped the winning streak of Adair Laque, the Cuban twirler. Toney held the Cubs to four hits.

## U-BOAT CAPTAIN GETTING BETTER

BERLIN, June 29.—The condition of Captain Hans Rosa, commander of the German submarine U-53, which appeared off Newport, R. I., in 1918, is considerably improved. He was reported several days ago to be lying at the point of death because of maltreatment by Belgian soldiers. He was then held by Belgian soldiers. He was then held by Belgian soldiers.

## TOMMY GIBBONS HAS A HUNCH

Year Has Seen Five Champs Fall and Dempsey Next, He Says

Challenger Sure That "23" Jinx Will Bring Him the Crown

By WILSON ROSS  
SHELBY, Mont., June 29.—Tommy Gibbons is playing a hunch.

He has it all doped out that this year of '23 is the skidoo year for champions—particularly those of the pugilistic sport. And he figures Jack Dempsey is one of those destined to be the jinx.

Just listen to this from the challenger:

More champions of the ring have fallen in this year of 1923 than in two years in the history of pugilism," Gibbons tells us. "Champions who have held titles for years have fallen."

How Mighty Have Fallen

"Look at Johnny Kilbane. He held the feather title for 11 years, but Eugene Clark snatched it from him this year. Jack Britton lost his crown to Mickey Walker after being the water king for years.

"Pancho Villa topped the world's flyweight title from Jimmy Wilde and Gene Tunney took the light-heavyweight crown from Harry Gray. Johnny Dundee lost his junior-lightweight crown the other day to Bernstein on a decision.

"Black live world titles that have changed hands before this '23 year has half done its rounds. And it looks like several other world titles are destined for transfer before the year ends.

Johnny Wilson is about ready to get into the ring again in a title bout and nobody would be surprised if his middleweight crown fell off in the first fight in which he risks it. And you hear plenty of predictions that Joe Lynch will lose the bantam title as soon as he gets into the ring for a decision battle.

Perhaps Dempsey, Too!

"Yes, and the dopesters will tell you that Benny Leonard has gone so long without fighting that his lightweight title will be decidedly in jeopardy whenever he risks it against any opponent worth while.

"And the heavyweight title of Europe has found its way across since January 1, falling first knocking it from Carpenter's brow and then in turn losing it to Mike McTigue. Furthermore, this Pancho Villa, who over Jimmy Wilde, had previously lost the American flyweight title this year to Frankie Genaro. So Villa occupies the unique position of being world champion but not champion of America.

"Now, would it be so very strange if this skidoo year of '23, which has been the downfall of so many champions—Britton, Kilbane, Wilde, Gray, Dundee, Carpenter and Siki—should also witness the overthrow of the heavyweight champion, Jack Dempsey?

"There is even the possibility that every world title in the ring may change hands before the bell tolls midnight on December 31.

"I cannot see Dempsey as the man-eating superman that some folks have pictured him to be. He can be gotten the same as all the rest of the champions. He can be knocked out.

"To my way of thinking, he has fought only one real opponent in his entire career. That was Billy Mike, and Mike was far from being a well man when he tackled Dempsey. All the rest of Dempsey's victims have been scoundrels. And I do not even except Jess Willard when I say this.

Jack Only Human

"Jess was a great big fellow but he was no fighter. His size had made him champion. He was not a boxer and it was a simple task for Dempsey to topple him over.

"Furthermore, in two years, Dempsey has just fought one fight, and that was his four rounds at Jersey City.

## BOTH MEN ARE RIGHT

Dempsey and Gibbons Will Be in Perfect Shape on the Fourth

This is the third Dempsey-Gibbons article. Johnny Kilbane, famed fatherly champion of the world, has written for N. E. A. Service and The Sun.

Johnny sat down to his typewriter after he had refereed some sparring bouts in the challenger's camp at Shelby. Here are some of the observations he got as Gibbons worked out.—N. E. A. Service.

By JOHNNY KILBANE  
SHELBY, Mont., June 29.—Both Jack Dempsey and Tommy Gibbons will be in perfect physical form for their battle July 4. There will be no alibis.

I have looked over both men at their camps. I have refereed sparring bouts for both.

And because of that I believe I have been able to get a better idea of their real condition than the writers who watch the dance workouts from seats in the bleachers.

Trents 'Em Too Easy

Gibbons, the challenger, is a boxing marvel. When I went out to the ring where Tommy is working, I saw him in action for the first time. He impressed me as being about the last word in boxing perfection.

But no man can judge Gibbons by his appearance in his workouts. He treats his sparring partners too gently. He doesn't let himself out, fearing he'll hurt somebody. There hasn't been a knockout, or even a knockdown, in the Gibbons camp since the challenger went into training.

Yet in Great Falls, where Dempsey is at work, nearly every man working with the champion puts himself on the floor at least once during the bout. Often he is laid cold.

The scrap Gibbons and the fighting Dempsey are going to put on will be another exhibition of machinery vs. nature. Whether Tommy, the perfect boxing machine, can get through the natural machine will be the big thing that battle will decide.

Can Travel Road

Should Tommy prove fast and shift enough to evade the champ for the first six rounds and let Dempsey tire as the result of the running he may be counted upon to win, his chances will be improved immensely. That is if Gibbons' own energy holds out for the first six rounds.

After looking him over I believe he is in physical shape to go almost any distance.

In all the history of heavyweight boxing, there never has been a braver challenger for the title. The result will depend, as I said before, on whether this combination of brains, speed and skill can beat the natural fighter with Georges Carpentier. And a fighter cannot keep in fighting trim if he fights only four rounds in two years. He is bound to slip under such circumstances.

Dempsey is just human, the same as all the rest of us, and this long period of ring idleness is bound to tell on him. It can't help but show him up. If I had fought only four rounds in the last two years I wouldn't dream of

undertaking the task of stopping Dempsey. But I have been fighting right along. I have had 97 fights in the last three years, taking them all on as they came. I have shirked nobody and my 33 knockouts in those 97 fights should speak for themselves to prove that I am right now at the top of my fighting form.

And that's why I am hoping for the best when I step into the ring with Jack Dempsey on the Fourth of July.

GAME PROMISES TO BE PITCHERS' BATTLE

A defeat for the Abhots in the Central Massachusetts Twilight League game with Salem at Grandville tonight would topple the Wersters from the lead into a tie for second place with their opponents, and would allow Fitchburg, now in the runner-up berth, to step into the lead. The game promises to be a pitchers' battle between Chick Davies, ex-Athletics heavy-hitter, on the mound for the Salem Town team and the elongated Davidson on the slab for the home club.

The pitchers will be supported by high calibre fielders and sluggers, and a close, low scored match appears to be in the offing. Melrod will catch for the visitors while Joe Day, Boston college captain, or Henry Sullivan receiving Davidson's starts. Owen Carroll will not be with the Salem team until Sunday, making it impossible for him to be with Salem this week.

Player drove his ball into casual water in a hazard. The hazard was a dry ditch except in very wet weather. The ball was seen to strike the water from the tee. When the players reached the spot where the ball landed, it was discovered to have found its way into the casual water in the hazard.

Player tees his ball and then drives to take a couple of practice swings before driving off. His third swing struck the ground near the foot ball and caused it to drop from the tee. Is there any penalty for such a feat? The club had actually struck the ball but the contact was so close it dislodged the ball from the tee? Would there be a penalty if the club actually hit the ball while the player was indulging in a practice swing? A practice swing means nothing. The ball is not in play, hence no penalty is incurred because the stick struck the ground so close to the ball that it fell from the tee. There would be no penalty if it actually hit the ball, since the ball is not considered in play while the golfer is indulging in a practice or limbering up swing.

How many years in succession has Chick Evans won the Western amateur championship?

Evans has won the Western amateur three years in succession. He won at Memphis in 1920, Chicago in 1921 and Kansas City in 1922.

Player drove his ball into casual water in a hazard. The hazard was a dry ditch except in very wet weather. The ball was seen to strike the water from the tee. When the players reached the spot where the ball landed, it was discovered to have found its way into the casual water in the hazard.

Player tees his ball and then drives to take a couple of practice swings before driving off. His third swing struck the ground near the foot ball and caused it to drop from the tee. Is there any penalty for such a feat? The club had actually struck the ball but the contact was so close it dislodged the ball from the tee? Would there be a penalty if the club actually hit the ball while the player was indulging in a practice swing? A practice swing means nothing. The ball is not in play, hence no penalty is incurred because the stick struck the ground so close to the ball that it fell from the tee. There would be no penalty if it actually hit the ball, since the ball is not considered in play while the golfer is indulging in a practice or limbering up swing.

How many years in succession has Chick Evans won the Western amateur championship?

Evans has won the Western amateur three years in succession. He won at Memphis in 1920, Chicago in 1921 and Kansas City in 1922.

## DEMPSEY-GIBBONS FIGHT LOOKS MORE DOUBTFUL THAN EVER

**Promoters Straining Every Effort to Raise \$100,000 Balance of Guarantee Due Dempsey Next Monday, But Money is Nowhere in Sight—Backers of the Fight Are Still Hopeful, How-**

GREAT FALLS, Mont., June 29. (By the Associated Press.)—Backers of the Jack Dempsey-Tommy Gibbons heavy weight championship fight are straining every nerve and pulling every wire possible to raise the final \$100,000 guarantee due Dempsey on his \$300,000 guarantee and save the fight for Saturday.

The situation, after a night of conference switching from one hotel to another, is unchanged, although every individual connected with the fight holds out hope that the necessary \$100,000 will be raised, somehow, somewhere. There is no definite assurance that holds out any promise, except the statement that the promoters are working on two or three plans and expect to raise the money.

Supporters of Jim Johnson, mayor of Shelby and treasurer of the fight, who already has thrown \$100,000 of his fortune into the battle, are confident he will put the fight over even if he is forced to mortgage every piece of property he owns.

Because every indication points to a complete financial failure, even if Dempsey and Gibbons actually get into the ring, influential citizens of Great Falls declare that the local \$100,000 installment for Dempsey should be paid as quickly as possible so that the attendance will not be further held down, which they say, will be certain if the payment is delayed until next Monday, the date on which it is due.

HELENA, Mont., June 29.—If the July 4 fight at Shelby does not materialize, every dollar which was paid for tickets must be refunded. Mr. Kearns and Mr. Dempsey cannot sit idly by, knowing as they have known that tickets were being sold without rendering themselves blame-worthy and culpable under our law," according to a statement issued yesterday afternoon by Attorney General W. B. Farnish.

Following is the statement:

"The persistent rumor that Dempsey will not fight in Montana unless the last dollar of an uncompro-misable bargain is in his hands by July 2, is true, presupposes that the laws of Montana against obtaining money under false pretenses are inoperative. The state of Montana is interested in seeing that its people are not defrauded. Mr. Kearns and Mr. Dempsey cannot continue to sit idly by, knowing as they have known that tickets were being sold without rendering themselves blame-worthy and culpable under our laws, unless every dollar is refunded the purchasers of tickets in event no contest takes place by reason of Dempsey's refusal to appear."

SHELBY, Mont., June 29.—(By the Associated Press.)—Confident that Jack Dempsey will fight Tommy Gibbons there July 4, despite the financial troubles, Shelby today swung into the task of caring for the influx of visitors.

Utmost confidence is being placed in Mayor Jim Johnson by the city. Expressions are heard on the streets frequently that "Jim will put it over." Gibbons, meanwhile, continues to plug along in his training work, undisturbed by the financial trouble.

In his workout yesterday, he displayed brilliant footwork, speedy delivery and counter, and was in splendid condition after traveling eight rounds with his sparring partners.

The drying out process through which he will go early next week is expected to bring him down to 175 or 180 pounds.

### MASS. TWILIGHT LEAGUE RESULTS

Fall River 4, Lowell 1.  
Salem 5, Gardner 2.

Fall River defeated C.M.A.C. 4 to 1 in an interesting Central Massachusetts Twilight League game on the former's home grounds last evening. The Lowell players hit the ball hard and often, but their efforts landed in the clutches of rival fielders in practically every instance. Fitcher Al Kroog of Tufts, on the mound for Lowell, pitched effective ball in spite of his defeat. The score by innings: Fall River 1 0 0 2 0 0 1 2-4; Lowell 0 1 0 0 0 0 0 0-1.

Batteries: Hession and Boherty for Fall River; Kroog and Freeman for Lowell.

### AMATEUR BASEBALL

The Mohawks would like to play the Emeralds Sunday on the North common at 3 o'clock for a dollar and a half ball. If going is accepted, call 555 between 6 and 7 and ask for Louis.

The following Hustlers players are asked to report tonight at 8 o'clock at Foster park: Collins, Daly, Kane, Mulvey, Hargan, Swan, Keady, Robinson, Davison, Gennell, Crowe, Jones, Rogers and Sullivan.

The Hustlers continued their winning streak by defeating the Merrimack 12 to 7. The features of the game were the pitching of Jim Daly, who allowed but five hits and struck out 16 players, and the hitting and base running of Gennell. Games are scheduled with the Athletics, White Stars and other fast teams in the state. Belmonts preferred, for next Sunday, call up 1575-R and ask for Tom.

### SOLDIERS RUSHED TO CAPE BRETON

HALIFAX, N. S., June 29.—A detachment of 250 soldiers today were under arms, awaiting a special train to take them to Cape Breton, where clashes occurred last night between striking steel workers and the police.

## ROWING TITLE GOES WESTWARD

**University of Washington Crew Wins Gritty Race on Hudson River**

**Youth With an Injured Leg in the Winning Crew From Seattle**

POUGHKEEPSIE, N. Y., June 29.—(By the Associated Press.) The seat of the nation's rowing championship, through the efforts of a gallant crew that pulled purple and gold-tipped sweeps to victory yesterday in the intercollegiate rowing association's 26th regatta on the Hudson river, is moved from Annapolis on the east coast, to Seattle, on the west.

A University of Washington eight—seven able bodied oarsmen and a courageous youth with an injured leg—defeated a previously unbeaten Navy outfit, champions in 1921 and again in 1922, and four other crews of the east in a three mile pull down a picturesque course. And for the first time in regatta history, rowing supremacy of the college lies west of the Mississippi.

Washington's victory, marked by one of the greatest exhibitions in regatta history, ended the 12 year regime of the naval academy whose eight this season in the opinion of rowing critics, failed to measure up to the standard of the victorious crews of 1921 and 1922.

The Natives employed a different sort of strategy this year but it failed to offset the power of the Washington rowers. Instead of setting the pace from the start as his predecessor had done for two years, the Navy permitted first Columbia and then Washington to set a pace, holding their drive in reserve for the last mile. The middle challenged part of the gap that separated them from the smooth rowing westerners as they entered the stretch, but Washington's stamina was sufficient to match that spur.

Columbia's dizzy early pace proved their undoing, and they never were dangerous after the two mile mark, barely lasting to nose out Syracuse for third place. Cornell and Pennsylvania never were factors.

Washington came within an ace of making it a double victory, their freshman eight losing by less than a foot to Cornell in a finish that will be remembered among the most thrilling in regatta annals.

Junior varsity honors went to Syracuse, which scored decisively over three rival crews. Cornell finished a length behind and had a similar advantage over Columbia while Pennsylvania trailed two lengths further in the race.

**Coast Player Thus Continues in Race for World's Tennis Title**

WIMBLEDON, June 29.—William M. Johnston of California, defeated Vincent Richards in straight sets in their match in the Wimbledon lawn tennis championship tournament today, and thus continues in the race for the world's title. The score of the match was 6-4, 6-3, 6-3.

Francis T. Hunter, America, defeated A. H. Fryce, India, 5-6, 6-3, 7-5.

Miss Eleanor Goss, American, eliminated Mrs. Young of England from the women's singles.

Miss Ryan eliminated Mrs. Craddock of England from the women's singles, 6-1, 6-4.

## PLANE FALLS INTO MUD FLATS

**Army Aviators, Trying for Endurance Record, Forced to Land**

**Neither of the Two Are Reported to Be Seriously Injured**

SAN DIEGO, June 29.—(By the Associated Press.) The airplane carrying Capt. Lowell H. Smith and Lieut. J. R. Richter, army aviators, in their attempt to remain in the air for four days and four nights, crashed into the mud flats between Coronado and North Island at about 1:40 a. m. today.

It was reported by telephone from Rockwell Field that neither of the aviators had been seriously injured.

According to officers, the aviators were trying to make a safe landing, a dense fog having made further progress impossible.

## DENIES HE WAS TORTURED IN JAIL

MOSCOW, June 29.—(By the Associated Press.) The Most Rev. Dr. Tikhon, released from prison to await trial by the civil authorities for counter-revolutionary activities, denies the reports that he was tortured while in jail, asserting that on the other hand he was well treated.

The former patriarch of All Russia, who plans to conduct services in the Bonny monastery where he is now living, says he cannot recognize the action of the living church congress in unfrocking him, pointing out that it tried him for political misdemeanors while only the Soviet government had a right to do so.

Considerable discussion is taking place over Archbishop Tikhon's letter in which he announced a reversal of the counter-revolutionary sentiments on which the charges against him are based.

## REPTILES' POISON TAKEN FOR SCIENCE

BROWNSVILLE, Tex., June 29.—Three glass jars, hermetically sealed, each filled with yellowish crystals, repose on a shelf in the office of W. A. ("Snake") King, at "Snakeville," on the outskirts of Brownsville. The crystals in each jar represent the collection of poison from approximately 800 rattlesnakes, and, according to Mr. King, there is enough poison in the jars to kill several regiments, if it were properly applied.

King annually buys and sells thousands of rattlesnakes, and at "Snakeville" there are at all times hundreds of rattlers of all sizes and descriptions. For several years he has been collecting poison from the rattlers, crystallizing it in a small kiln and sending the crystals to scientists

in all parts of the world who are endeavoring to find a remedy for snake bite.

Few people in Brownsville realize the volume of business which flows through "Snakeville." They daily see scores of boxes labeled "Dangerous Reptiles: Handle With Care," leave and enter the express office, but it is an accustomed sight. Dozens of Mexican snake catchers are required to keep the stream of reptiles moving into King's pens.

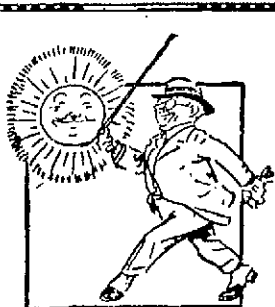

"I have never charged a cent for the poison crystals, nor do I ever expect to charge anyone for the antivenom," King states. "I have saved the poison and crystallized it for the benefit of science, and I have the antivenom for the benefit of any one bitten by a rattlesnake."

Scientists throughout the world have asked me for crystals, and I have never failed to respond, provided I was assured they were to be used for legitimate scientific purposes only."

It is a curious fact, King points out, that the poison used to produce the antivenom works well only when it comes from the family of snakes from which the bite has come. In the case of a rattlesnake bite, King asserts, the serum used is made from the blood of a horse inoculated with rattlesnake poison. Injected into the blood as near and as soon after the bite as possible.

When the snake farm at Sao Paulo, Brazil, was established by the Brazilian government and placed in charge of advanced scientists, King was asked by them for some crystals and antivenom. King supplied several quarts of the crystals, representing the collection from about 10,000 rattlesnakes.

King has branched out his business to include birds and animals of diversified variety. Parrots, iguanas, anteaters, horned toads, wildcats, Mexican llamas, leopards and scores of other species of animal life of Mexico and the southwest, are found on his farm.

## THEY CALLED HIM AN "OLD PILL"

THAT was years ago when he packed a terrible grouch, a mighty irritable stomach and a liver that refused to do the things that all good livers should. No wonder his friends called him an "old pill" and stayed away.

But that was years ago—long before he discovered Beecham's Pills and learned that two at bedtime can bring sunshine into a man's life. Today, he's an optimist, a hero to his wife, and a staunch believer in Beecham's Pills.

The cheer that Beecham's Pills bring into a man's disposition, is the incomparable cheer of sound digestion, active liver, and the regular habits that make good health.

## BRITISH PREMIER HAD RAPID RISE

LONDON, June 29.—There is a common impression that the Rt. Hon. Stanley Baldwin is a rather young man to attain the premiership of Great Britain, but this is due to the few years' service he has rendered in politics before attaining the highest position any subject of the king can hold. Three living ex-premiers reached the distinguished post at an earlier age than Mr. Baldwin, who is 56.

Lord Roseberry was only 47 when he succeeded Gladstone, Lloyd George became prime minister at 53, Lord Balfour at 54, and H. H. Asquith at 56. Bonar Law was 61 when he took the task last October.

His predecessors served much longer in the house of commons before they were selected as premiers than has Mr. Baldwin, who has been in parliament only 15 years and did not hold any government post until six years ago. Both Bonar Law and Asquith sat 22 years in the house before they became head of a government. Lloyd George had 26 years' service, and Lord Balfour 28.

Britain has five living ex-premiers, three of them beyond the age of 70. The task is called a difficult, exacting one, but those who fulfill the duties as head of the government of Great Britain seem to survive it better than the presidents of the United States.

controlled conditions. The Horse Association of America, with headquarters at Chicago, will cooperate in the tests.

A specially constructed wagon has been designed for the tests by the engineering department of Iowa State college. By means of gears and a hydraulic pump, driven from the wheels, it will be possible to put on any predetermined load and maintain uniform load resistance from the test wagon, whether it travels on a level or up or down hill. The teams probably will be required to pull a six-horsepower load to enter, the load to be increased by two horsepower on each successive trial until the maximum is reached.

Whipping or shouting will disqualify an entry; all horses will be given a veterinary examination, and representatives of humane agencies will be present to forestall any charge of abuse.

"Horsepower has been a standard of power measurement for centuries, but little research work on the pulling powers of horses and mules has been carried on scientifically, because of the difficulty in providing uniform tractive resistance," said the management. "This we expect to determine."

## NEW DREDGE MAY SAVE MILLIONS

CINCINNATI, June 29.—(By the Associated Press)—When the new government owned hydraulic dredge, now under construction at Charleston, W. Va., glides down the slide into the Ohio river, some five months hence, a large government project will have started on its way.

This dredge is designed to eliminate a number of proposed dams in the Ohio river, which are now a part of the 54 government river dam projects

## TO DETERMINE POWER OF HORSE

## A Letter from a Self Made Mapl-Flaker to His Son

Dear George:

Now that you're out "rattling" the world to take a living away from it, your Ma and I are squinting on our ringlets, seats, wondering if you know a hammerlock from a half nelson — and whether you think the rules of training were made to keep or to break.

It was no fool, George, that wrote "early to bed and early to rise" — you'll find it a pretty good rule to follow. And if you'll present that landlady of yours with a box of Mapl-Flake so you'll never fail to get a big dish in the morning, you'll find yourself stepping off the front porch with a lead-me-to-it-I'm-as-good-as-two-men-to-day feeling that will put that silver lining in your pocket before you know it.

I've learned a lot in 54 years, son. I hold no stock in the Mapl-Flake business — but I do know that wheat is the "staff of life", and that the bran that's in the whole wheat is "food for what ails me" — and you too. That's how your Ma and I came to be "Mapl-Flakers."

We've got to have our bran every day — Old Mother Nature can give the pill and dose makers cards and spades and lick them at their own game. And we've found that in Mapl-Flake we get enough bran, and have good, delicious, nourishing eating.

It doesn't make much difference, George, whether you sit at a desk or swing a shovel, whether you "rattle" ideas shovel out the ashes regularly if you're going to get up a big head of steam and toot your whistle so people can hear it.

Go to it, son. Put honest-to-goodness food under your belt, get in shape and out daytimes, and you can't lose. Love from Ma and me.

An old dyed-in-the-wool Mapl-Flaker. Dad

CAMP DEVENS BAND WILL  
THEIR SILVER WEDDING

COME TO LOWELL

Congressman John Jacob Rogers has secured the 5th Infantry band of Camp Devens, said to be one of the finest military bands in the country, to take part in the parade of the American Legion in connection with the reception to National Commander Alvin T. Owsley of the legion, who will visit Lowell, July 12, announces Commander Joseph A. Molloy of Lowell post 87. The marchers will meet the visiting legion head at the station, and then parade to city hall, where the key of the city will be presented to Commander Owsley by Mayor John J. Donovan.

A public reception will follow and the marchers will proceed to the Memorial Auditorium where a banquet will be served. The Lowell commander is anxious to have the manufacturers of this city present to the noted visitor products of their making. In order to give him an idea of the industries of Lowell, and several manufacturers have announced their intention of presenting some of their products to the legion head.

The committee appointed to make arrangements for the reception is working out additional details for the affair. The chamber of commerce and the citizens committee will meet with Legion committee Monday night to formulate final plans for the entertainment of Commander Owsley.

There will be an important meeting of Post 87 of the American Legion at the quarters in the Memorial Auditorium Monday night, announces Commander Molloy. A large attendance is desired as the reception and other important matters will be discussed and acted upon. The meeting will be called at 8 o'clock.

The family of Mr. Daniel S. O'Brien of Riverside street, left yesterday for Old Orchard beach, where they will spend the month of July.

Rev. Emile Bolduc, O.M.I., and his father, Mr. Zephryin Bolduc of Moody street, Pawtucketville, left last evening on a two-weeks' trip to Montreal and Quebec.

Martin L. Kirkeby, a popular employee of the Talbot company, is back on the job again after being laid up.

Mr. and Mrs. Parent Observe

25th Wedding Anniversary

—Receive Pope's Blessing

Friends and relatives of Mr. and Mrs. Aldele A. Parent, of 123 Walker street, assisted them in celebrating their silver wedding anniversary at their home last evening. In the early evening supper was served to a large number of guests and a reception followed. Mr. and Mrs. Parent were made the recipients of many beautiful gifts of silver.

The observance of the occasion included a mass at St. Patrick's church at 6.30. The celebrant was the pastor, Rev. John J. McGarry, D.C.L. The soloist of the mass was Mrs. J. W. Green and the organist, Mrs. Mary Kavanagh. A feature of the occasion that will forever be cherished by Mr. and Mrs. Parent was the Pope's blessing, which was received by cablegram.

The four children of the happy couple who are prominent in various Lowell activities were present at the joyous gathering. The children are Miss Elizabeth M. J. Herman, Arthur A. and Norbert Parent. The boys have been prominent in high school athletics and J. Herman is a student of Lowell Textile. Mr. Parent is one of the proprietors of the New System laundry. Mrs. Parent has been prominent in the activities of the League of Catholic women for a number of years, and with the Ladies Aid society of St. Patrick's parish.

PRIESTS TRANSFERRED  
CADETS ARE READY FOR  
ANNUAL ENCAMPMENT

Fr. Somers Goes to Brookline and is Succeeded Here by Fr. Cotter

Rev. James M. Somers, for the past five years assistant pastor of St. Columba's church, has been transferred to St. Aidan's church at Brooklyn.

Rev. Cornelius J. Cotter, recently ordained at St. John's seminary in Brighton, has been assigned by Cardinal O'Connell to succeed Fr. Somers here. Fr. Cotter made his first appearance before the parishioners at the garden party last night.

Rev. Fr. Cotter, perhaps the youngest priest in Lowell, is a native of Dorchester, and after receiving his elementary education in the schools of Boston, he entered Boston college, coming from there to the seminary in Brighton, being ordained at that institution a few weeks ago.

During his theological course, Fr. Cotter distinguished himself by his brilliancy as a student, and his ability as an orator. He arrived at St. Columba's yesterday morning and will celebrate one or more of the parish masses next Sunday.

LOWELL BARRISTERS ON  
ANNUAL OUTING

"Villa Lorraine, Pepperell," was the business address of most of the lawyers of Lowell yesterday afternoon, for the Lowell Bar association conducted its annual dinner and business meeting at this popular summer place.

The trip was made in automobiles furnished by members of the association, the party leaving the city at 2 o'clock. Upon reaching their destination, the members of the association enjoyed a delightful Virola concert under the direction of Judge John J. Pickman and Arthur L. Egan, while others enjoyed their favorite sport, baseball.

At 4 o'clock a business meeting was held with President Pickman in the chair and routine business was transacted. A committee was appointed to endeavor to secure portraits of the late Hon. Chase S. Lilely and Hon. Nathan D. Pratt, former justices of the superior court, these portraits to be hung in conspicuous places in the superior court room of this city.

A feature of the meeting was the election of officers, which resulted as follows: Daniel J. Donahue, president; Hon. James E. O'Donnell, vice-president; Joseph P. Donahue, secretary and H. V. Charbonneau, treasurer. The election committee consisted of W. H. Wilson, Charles A. Donahue, Hon. Frederic A. Fisher, W. A. Hogan and Edward J. Tierney.

At 5 o'clock all sat down to a beautiful chicken dinner and at the close of the meal post prandial exercises included addresses by Mr. Wilson, Judge Pickman, Mr. O'Donnell, J. Joseph Hennessy and Hon. John Jacob Rogers.

Among those present were Hon. John J. Pickman, Hon. Frederic A. Fisher, Hon. John Jacob Rogers, Hon. James E. O'Donnell, Joseph P. Donahue, Frederic S. Harvey, Frank Goldman, John M. O'Donoghue, Joseph H. Gullet, W. A. Hogan, W. H. Wilson, James E. Markham, James H. Riley, Raymond P. Bourgeois, Arthur L. Egan, Cornelius J. O'Neill, James C. Warner, Henry V. Charbonneau, Charles L. Hildreth, John T. Masterson, James Stuart, Murphy, Maurice Bardsley, Francis C. Zachares, Albert J. Blazon, Max Goldman, James J. Bruin, Allen Gersen, J. MUST NOT LET HIS  
HAND GO TO WAIST

(Special to The Sun)

BOSTON, June 28.—(Index of automobiles by young men, who have one hand on the wheel while the other is around the waist of a "sweetie," must stop, declared the state registrar of motor vehicles, Frank A. Goodwin, who today revoked or suspended 127 more motor vehicle licenses. These suspensions and revocations were for all sorts of violations of the traffic laws. Four licenses were taken away because the operators were driving with one arm while they had the other around a young woman seated beside them.

"It is difficult enough to drive with two arms without resorting to this hugging process," said the registrar in commenting on his actions against the "sweets."

In 12 of the cases where licenses were taken away motorists were deprived of their right to drive.

"So far as the motor cycles are concerned," continued Mr. Goodwin, "they are a positive menace to the highways."

The previous high record for suspensions and revocations in one day was 51. In this present clean-up campaign, the registrar is trying to secure the combined efforts of the motor vehicle inspectors, the state constabulary and the local police.

NAVY RECRUITS ARE  
NOT VERY PLENTIFUL

Harry F. Rogers of East Pepperell, formerly of this city, was enlisted as an apprentice seaman at the Lowell naval recruiting station in Fairburn building yesterday, by Chief Tender R. Frederick. The recruit has been sent to Newport, R. I., where he will undergo six weeks of training before he is assigned to a regular ship or station.

This is the second recruit signed at the Lowell office this week. A girl which has not been duplicated here for several months. Five applicants were received this morning according to the report of the chief, who announced that the storm clouds of recruiting had lifted, and that men of the right caliber were beginning to look to the navy for the future. "It can convince the average youngster who has no trade or special educational qualifications, who is in good health, that his opportunities for advancement in the navy outweigh his chances on the outside," asserted the recruiting officer.

Chief Tender Frederick, of the station, who has been acting as an agent to recruit recruits, has been detailed to report to Washington, D. C., where he will act as an instructor in the seaman's gunners school. No recruiting officer has been detailed to take the place of Mr. Quinn, who has been stationed in Lowell for nearly three months.

**Eagles Notice**

MISSING FROM HOME

Former Lowell Girl Dis-

appears in Lawrence With 13 Months Old Baby

Mrs. William Pultar, 155 Willow street, Lawrence, formerly Miss Ethel Webster of Lowell, or sometimes known as Ethel Dugdale, disappeared from her home last Tuesday forenoon.

MRS. WILLIAM PULTAR AND 13-MONTHS-OLD DAUGHTER

with her 13-months-old baby girl. Since that time there has been no clue as to her whereabouts.

Her husband came to Lowell today in an effort to locate his wife and child and appealed to the press to assist him. She is well known in the city, he says, and for a time worked in the bakery of William S. Johnston, 121 Gorham street. She used the name of Dugdale as well as that of Webster.

In discussing her disappearance Mr. Pultar declared he knows no reason why his wife should leave home and while he is not prone to believe she has come to any harm, he cannot understand why she should go away without leaving word. He does not know how much money she had with her at the time, although he believes she had about \$7 of his and some of her own.

PLANTS WILL CLOSE  
DOWN FOR WEEK

The plants of the Merrimack Mfg. Co., Massachusetts mills and Helene Electric Co. of this city and the Talbot mills of North Billerica will shut down tomorrow noon until Monday morning, July 2.

At the Merrimack Mfg. Co. the shutdown is in order to give the employees their annual vacation. At the Helene Electric Co. it was stated that the plant would close for the annual inventory, while at the Massachusetts mills the reason given for the shutdown was "annual inventory."

As far as could be learned all the other manufacturing plants of the city will shut down Wednesday, July 4, although some of the mills may shut down later to give their employees a rest.

COMPANY D CAPTAIN  
SUBMITS RESIGNATION

Captain George D. Crowell of Company D, 152nd Regiment, has submitted his resignation to the adjutant general's office at Boston, and will officially retire as head of the organization within the next few days. Business reasons are offered by the retiring officer, as his desire to retire from national guard activities. Company D, a machine gun organization, has been developed into one of the most capable outfits in the regiment under the leadership of Capt. Crowell.

CHARGES USE OF  
MAILS TO DEFRAUD

BOSTON, June 28.—Max Yucht of New York and his brother, Louis R. Yucht of Worcester, pleaded not guilty in the federal district court today to a secret indictment for using the mails with intent to defraud and were held in \$3000 bonds for trial later. The government charges that the two men through the operations of the Anchor Merchandise Co., of this city, obtained large amounts of wearing apparel from various jobbers throughout the country on credit and disposed of part of the goods. Goods valued at several thousand dollars were seized at the company's office a month ago by postoffice inspectors.

## ST. RWY. MEN TESTIFY

Claim Wages They Receive  
Are Not Sufficient to  
Support Families

BOSTON, June 29.—Joseph Glynn, a repairman employed in the Brockton shops of the Eastern Massachusetts street railway company, was the first of the men called by counsel for the employees at yesterday's session at the state house of the wage arbitration proceedings.

Mr. Glynn, after outlining his duties, said he had worked seven days a week for several years. In addition to his own earnings he had to receive the assistance of his children, he said. He explained he could not afford to attend the theatres.

"What do you do for recreation?" asked James H. Vahney, counsel for the men.

"I go to bed," replied Mr. Glynn. Continuing, he declared that the wages paid him by the company did not permit him to purchase a suit of clothes for 12 years and that until two years ago, when he purchased a new suit, he had worn the discarded clothes of his brothers. He was able, he asserted, to buy the new suit by the money he had earned working overtime. He said further his wages are not enough to have his children's shoes tapped, and that work he performs himself. His wife, witness said, has been unable to purchase a new dress for three years and for several years has been obliged to make over her old hats.

He does not find his work "particularly enjoyable," he said, because he is tired when he reaches home at night. He called it "drudgery" and said he got "weary" enough from his job. Mr. Glynn said he turned over to his wife all his earnings and she purchases his tobacco and packages of plug cut for 60 cents which is the extent of his expenditures on himself. Witness said he had no fault to find with the company, "but would like a little more money."

John Kelley of Haverhill, watchman and repairman at the Haverhill car barn, said he has been employed by the company for 14 years and the only vacation he has had in that time was a week, which he took off last year. He has worked seven days a week for the company and has worked overtime to earn extra money.

Arthur Sturges, statistician, told that the controversy over the wage increase is really between the men and the public, not the shareholders of the company. He said the shareholders are the dividend which the company may pay and requires that the cost of service be secured from the car rider.

The hearing will be resumed today. It is expected that today Mr. Vahney will conclude introducing evidence on behalf of the men.

## ST. MARGARET'S PARISH PARTY BIG SUCCESS

The rose party of St. Margaret's parish was held last night at the Casino and was a very successful one. The party was held in the Casino and was a very successful one. The party was held in the Casino and was a very successful one.

The booths were arranged around the sides of the building and the salespeople at these booths were members of the parish. They conducted the booths after the style of the barbers at the midway booths and a steady stream of money awaited their efforts. The whole hall was prettily decorated and the building was opened wide to make it resemble an outdoor party as much as possible and still to have protection from inclement weather, as was very necessary after 10 o'clock last night.

The affair opened in the early afternoon for the children and as both the afternoon and evening sessions a number of dances by children were staged under the direction of Miss Morris E. Conley, Lowell's youngest teacher of dancing. This was one of the most popular events on the program. The children entered into the performance with a vim that proved their willingness to follow their teacher and each number was heartily applauded.

Following the children's dances at the evening show, the floor was cleared and all who desired to dance were privileged to do so. While dancing is usually a pastime of the younger element only, last night's dancing was an exception to the rule, for a great many of the middle-aged parishioners fully entered into the spirit of the occasion. All through the evening the dancing and singing continued and the whole affair was a very successful one. The church trustees, who were in charge of the affair, were very successful in their efforts and the parish was very well represented.

## STOMACH TROUBLES ARE DUE TO ACIDITY

Tells Safe, Certain, Speedy Relief For Acid Indigestion

In probably nine cases out of ten, simply evidence that excessive secretion of acid is taking place in the stomach, causing the formation of gas and acid indigestion.

Gas distends the stomach and causes that full, oppressive, burning feeling sometimes called acid heartburn. It is the acid irritant which inflames the lining of the stomach. The trouble begins with the excessive secretion of acid or secretion of acid.

The stop or reduction this coming of the food contents of the stomach and to neutralize the acid, can make it bland and harmless. It does not irritate the stomach, it does not cause the formation of gas and acid, it is a perfect remedy for acid indigestion.

An antacid such as Eucalyptol Magnesia which can be obtained from any drugist in either powder or tablet form enables the stomach to digest properly without the aid of an artificial digestive. Magnesia comes in several forms, to be certain to ask for and take only Eucalyptol Magnesia, which is especially prepared for the above purpose. Adv.

The dining room set which is one of the big features of the party will not be drawn for about two weeks as a great many tickets have not as yet been turned in. As soon as the tickets are all in the drawing will be held and the winner named.

The party was under the general supervision of Rev. W. P. Brennan, who was ably assisted by Rev. C. J. Gahagan, pastor, and Rev. A. J. O'Brien, committees of men and women of the parish also assisted. Fr. Brennan and credit goes to them for their unselfish work in behalf of the parish.

## EMIGRANTS FAVOR LANDING IN HUB

LONDON, June 29.—(By the Associated Press)—The Daily Telegraph's Liverpool correspondent says there is a growing tendency among emigrants to land in London rather than in New York. "Believing, rightly or wrongly, that the Boston immigration officials are more reasonable than those at New York."

Referring to a suggestion that British steamship lines be encouraged to send their vessels to the United States by way of Halifax so as to remove difficulties at Ellis Island, the Daily Mail says it is understood that

"the government would be sympathetic with any such move on the part of the shipping lines as providing a happy solution to more than one vexatious problem between Great Britain and the United States."

## VETERAN ELECT OFFICERS TODAY

MINNEAPOLIS, June 29.—Election of officers and adoption of committee reports today will conclude the annual convention of the disabled American veterans of the World war, in session at the Central Methodist church who attended the here since Monday.

mentioned in convention gossip as candidates for national commander, include the organization's present head, Capt. C. Hamilton Cook of Buffalo, N. Y., and James A. MacFarlane of Atlanta, Ga., now a junior vice-commander. Cook, however, has announced he does not seek the office again.

## STRAWBERRY FESTIVAL WAS BIG SUCCESS

A most enjoyable evening was the verdict of the parishioners of the Central Methodist church who attended the strawberry festival held under the aus-

ices of the Ladies' Aid society in the church vestry last evening. An auction of strawberries and a pleasing entertainment followed the supper prepared by the women of the society. Real home made short cake was the outstanding feature of the menu, judging from the second helpings of this culinary delight, served to the diners. Clarence Chenevert contributed solos and Laurie Hardy piano selections in the entertainment program. Mrs. Daniel Wood was chairman of the supper committee and she was aided by Mrs. Edmund Cook, Mrs. Robert Young and the Misses Mabel George, Nellie McAfee, May McAfee and Julia Lewis. Miss Lilly Wadsworth was in charge of ca-

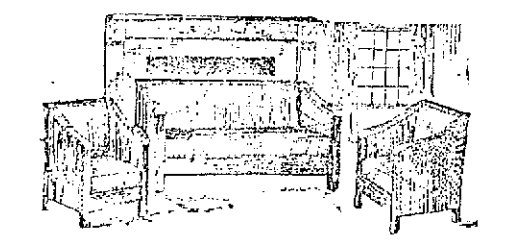

tering and she was assisted by the Misses Violet Wood, Mabel Gardes, and Leslie Wadsworth.

## PUPILS OF MISS MOULTON IN SECOND RECITAL

A capacity audience of music lovers greeted the pupils of Miss Bernice Moulton in their second recital, held in Kitson hall last evening. The selections were well received, and Miss Moulton received much praise for the excellence of the program, which was a continuation of the previous affair presented in the hall last Thursday.

Miss Rhoda Whitman, soprano, accompanied at the piano by Miss Moulton, sang several pleasing numbers, which were encored. The ushers for the recital were Pauline Foster, Portia L. Murphy and Virginia Bargent. The program is as follows:

## QUICK RELIEF FOR SORE, TIRED FEET

"After a long, hot day on my feet I run for Tiz," writes a city salesman. "No matter how my feet ache and burn, Tiz draws out all the pain and I'm as good as new."

Tiz is magical. Acts right off. Stops the pain of corns, bunions, callouses, sore spots.

A few cents buy a box of Tiz at any drug or department store. Have feet that never swell, never hurt, never get tired.—Adv.

## MATRIMONIAL

Mr. John J. Mahoney, former principal of the Lowell Normal school and residing in Lawrence and Miss Mildred Hildeman of Taunton were married Wednesday at the Catholic church of Taunton, the ceremony being performed by Rev. Mark DeCosta. The bride was Miss Mary J. Gullit, assistant state director of adult education, while the best man was Mr. Louis A. Mahoney, a brother of the groom. The bride is a graduate of Pine Manor, and has been city director of Americanization in the public schools of Taunton. The couple will make their home in Water-town.

## Giddens—Aker

The marriage of Mr. Gary Matherfield Giddens and Miss Marion Thurlotte Aker took place Wednesday evening at the home of the bride to Kimball avenue, the officiating clergyman being Rev. Edward Babcock of the First Baptist church. Miss Edith Motley was bridesmaid, while the best man was Mr. S. Frederick Flynn. The couple will make their home at 12 Kimball avenue.

## Murphy—Willert

Mr. Albert J. Murphy and Miss Mary M. Willert were married Wednesday at St. Mary's church, Cambridge, the officiating clergyman being Rev. M. C. Gillebride. Miss Maud M. Willert was bridesmaid, while the best man was Mr. Philip Murphy. The couple will make their home at 635 Mammoth road, Dracut.

## Dobson—Teal

At St. John's Episcopal church Wednesday, Mr. David Webb Dobson and Miss Winifred May Teal were united in the bonds of matrimony, the ceremony being performed by Rev. Henry Quincy. Miss Irene Teal and Mr. Irvine Teal, sister and brother of the bride, acted as bridesmaid and best man. The couple will make their home at 1215 Lawrence street.

## Delaney—Roarke

The wedding of Mr. James Delaney and Miss Nina Roarke took place Wednesday at St. Patrick's rectory, the ceremony being performed by Rev. J. A. Curran. The bride wore white crepe de chine trimmed with silver lace and veil of silk and carried bridal roses. She was attended by a sister of the groom, Miss Anna Delaney, who was attired in peach colored crepe de chine with hat to match and carried American beauty roses. The best man was Mr. James P. Roarke, Jr., a brother of the bride. The bride's gift to the bridesmaid was a ruby ring, while the groom's favor to the best man was a pair of gold cuff links. After the ceremony a reception was held at the home of the bride, 219 Cross street. After an extended honeymoon trip to New York the couple will make their home at 219 Cross street.

TESTIMONIAL DINNER  
TO HUGH J. MOLLOY

Arrangements are completely in hand for the testimonial dinner to be tendered Hugh J. Molloy, superintendent of schools, in Liberty hall this evening, in recognition of the completion of 10 years of service to the commonwealth of Massachusetts as an educator, citizen and soldier.

Twelve speakers, each a personal friend of Mr. Molloy, will be presented by Toastmaster James T. Reilly. Although there may be reasons why all of the expected guests cannot attend, the program carries the following well known names: Capt. Royal P. White, Mayor John J. Donovan, Frank W. Wright, director, state department of education; Jeremiah E. Burke, superintendent of schools; Boston Rev. Charles J. Callahan, James H. Filer, Rev. George E. Fisher, James O'Sullivan, Patricia J. Reynolds, Hon. Perry D. Thompson, Capt. Joseph A. Molloy and Edward Fisher.

DOCTORS MUM  
ON PROHIBITION

SAN FRANCISCO, June 29.—The American Medical association, in convention here late yesterday, declined to go on record regarding prohibition. It killed four resolutions directed at provisions of the Volstead act.

William Allen Pusey, eminent dermatologist and professor of skin diseases in the University of Illinois Medical college, was elected president and Chicago was chosen as the 1923 convention place.

The delegates endorsed the action of Governor Smith of New York in calling a conference of representative members of organized medicine to draft health legislation.

Lowell District Court  
Continued

tion and license numbers. Duffy declared that he had been in North Billerica on the day in question, claiming that he was in communication with a girl friend. He said he could not understand how the officer had his number as he had his certificate with him in Framingham and not in North Billerica. The court ordered him to produce witnesses from Framingham and to reappear in the same court for his application in court on July 2. The court estimated that a license penalty would be imposed of \$200 and \$250.

A fine of \$200 was imposed on Thomas J. Dolan for driving an auto vehicle at an excessive rate of speed on the Lowell-Billerica highway, while on a special license issued on the same date of June 2. William de Meier also paid a fine of \$200. Noises at the court.

The testimony in the case that resulted in Earl Kelly's conviction for driving an auto vehicle at an excessive rate of speed was taken to the office of the state court clerk, requesting the presence of an officer on the Lowell-Billerica highway for the purpose of preventing the passing from fast and reckless drivers.

The fourth victim of the hearing was Louis L. Winkler, who said a fine of \$100 for excessive speeding.

Frank H. Schuman was taken into custody for excessive speeding and driving recklessly. The officer stated that the defendant was going between 40 and 50 miles an hour on a straight road near Smith's corner in Billerica. The state says the operator of a car went for a distance of at least a quarter of a mile and it was on this line that Schuman was detected.

## Threatening Notes

James de Nubere, the 19-year-old author of threatening notes to a local doctor and several theatre managers, was found guilty of threatening and placed in the care of the probation officer for a term of one month.

Mr. Curran, who presided in the court this morning, the defendant was arrested last Sunday in the rear of the First street car barn by officer Edward Linton. Rev. Mr. Bates of the First Baptist church has taken the youth in his charge.

## Other offenders

Kueta Kallio, appearing for drunken-

ness, was ordered committed to the house of correction for a term of six months, a suspended sentence to that effect being revoked.

Philip J. Falvey, for indecent act, was continued in jail until July 2.

Charge of assault and battery and non support, preferred against Frank C. Lloyd by his wife, were withdrawn by the latter and the defendant dismissed. A similar charge against Eva Alberta was continued until July 29.

A continuance until tomorrow was granted Mary Wogoda, charged with illegal keeping.

ORGANIZER REAGAN  
BACK FROM CANADA

Thomas J. Reagan of this city, general organizer for the United Textile Workers of America arrived home yesterday from a ten-day trip through the Dominion of Canada. Mr. Reagan went to Milltown, N. B., to settle grievances existing between employers and employees of the Canadian Cotton Co. It seems that the 800 or more employees of that plant who are all connected with the United Textile Workers of America, are dissatisfied with working conditions as well

as the rate of wages being paid them and a couple of weeks ago threatened to go out on strike unless their difficulties were adjusted.

Mr. Reagan conferred with the employees of the plant and later went to Montreal, where he had a long conference with Vice-President Dawson of the Canadian Cotton Co., who assured him that all grievances would be satisfactorily adjusted before July 15. This report of progress was brought back to the employees, who decided to wait until that time before taking any drastic action. The employees of the

Canadian Cotton Co. work 50 hours a week, 10 hours a day for five days.

FRENCH EXTEND  
LINES IN RUHR

COBLENZ, June 29.—(By the Associated Press) The French today extended their occupation in the Mayence bridgehead to Langen, on the Darmstadt-Frankfurt railroad line eight miles south of Frankfurt and Eschborn on the Frankfurt-Kronberg line. 7 1/2 miles northwest of Frankfurt. The extension is a penalty for recent sabotage on the railroads.

WANT REFERENDUM  
ON VOLSTEAD ACT

Petitions for a referendum on chapter 370 of the acts of 1923 calling for the enforcement by the state of the Volstead act, are being circulated in this city by the Constitution Liberty League of Massachusetts. The petitions request that the operation of such law be suspended in this state. D. P. Silbey, treasurer of the league, was a visitor in this city this morning and he called at the office of the Lowell Textile council in Trades &

Labor hall, Central street, and conferred with the president of the council, John Hanley, on the matter. He stated that the referendum will not be placed on the ballot until the 1934 state election and in order to accomplish his aim the league has to get about 50,000 signatures to the petition, although 15,000 signatures are sufficient to get the referendum on the ballot. Mr. Silbey left numerous copies of the petitions with Mr. Hanley, with the understanding that they be called to the attention of the members of the various labor unions at their regular meetings.

# NATIONAL COMMANDER OF THE AMERICAN LEGION IS A GENERAL FAVORITE

ALVAN T. OWSLEY

Alvan T. Owsley, Texas, national commander of the American Legion, the man who is to visit Lowell July 12, at the request of a special invitation from Commander Joseph A. Molloy of Lowell Post 57 of the American Legion, has won a personal admiration from "chick private" and all ex-service men because of his "four square" manner of dealing with his comrades. Commander Owsley looks well, when you stand beside him he appears to be over six feet tall, but in reality he is 5 ft. 11 in. Squareness appears to be his outstanding quality. His square shoulders, square jawed, set square and talks square, but he is certainly not square headed. According to comrades who have come in contact with him, the commander is described not as the "lumpy" lumpy, misshapen variety of Texas, but a regular he-Texas.

all to congress and command the immediate attention of councilmen or senators.

An example of the appreciation of the legion head by his "chickies" is the following taken from a newspaper of the southwest. A legionnaire rose to ask, "What sort of a bird is this guy Owsley?" and the reply following the commander's talk to the post was: "This guy Owsley is a rare old bird."

Owsley General Favorite

Appreciation and commendation of the popular legion head has not been confined to the legion weekly, or to ex-service men who have joined the American Legion, but is evidenced in other veteran's magazines and their organizations, because of his fair dealings with all men who fought for our country during the World War. The Stars and Stripes, an independent ex-service men's publication, commented upon Owsley's administration as follows:

"The commander of the American Legion is living up to the title given to him perhaps with some disparagement by a certain legion leader, who after his first contact with the then newly elected commander, said: 'He's an exception!'"

"So indeed he is. Owsley goes trooping around the country, preaching the gospel of Americanism and our best guess is that at his recent meetings he is making a lot of converts."

"A good many fellows wonder why this paper likes Owsley, inasmuch as he is no different from some other legion leaders who have won our hearty approval. He is not especially devoted himself to a fight for the bonus, or campaigning for the disabled veterans, or promoting legion organization work, but he is working for 'Americanism.'"

"We like Owsley because he is Owsley because he has stepped out his own program and is pursuing it, because he is honest in purpose and faith, and because he is not afraid to make his own decisions and to carry them out. Since he is indeed, something of an evangelist, we do not understand his recent good or conduct. In his every thought he would be a good world if he could not give us help to leaders whose every word and deed is part of our own people's belief. Owsley is a way of doing a man's work for the legion and for all ex-service men. More power to him!"

Respect for the Flag

Commander Owsley's respect for the flag has been one of the singular traits which has marked his work not only as a leader of the legion but as an individual. He has steadfastly held to the idea that a better understanding of flag etiquette be taught not only in the schools, but to the general public. One of the Owsley Americans is, "Give free advice, our schools and our language in our schools, the flag and the language of America, of American and individual."

When the nation commander made the assertion at Trinidad, Colorado, that he wouldn't attend a school which did

## BIG THREE-DAY GARDEN PARTY OPENED AT ST. COLUMBA'S CHURCH LAST NIGHT

Rain Failed to Dampen Ardor of Parishioners and Visitors on Opening Night of Big Event—Speakers Included Mayor Donovan, Rev. John J. McGarry, D. C. L., Rev. John J. Powers and Mayor Quinn of Cambridge

If the intermittent showers of last evening were intended to disparage and depreciate the efforts of the sponsors and patrons of St. Columba's garden party, they failed of their purpose, for the big three-day affair was formally opened as per schedule shortly before 8 o'clock with a list of speakers, including Gen. Alex. Warren P. Riordan, Mayor John J. Donovan, Rev. John J. McGarry, D. C. L., pastor of St. Patrick's church, Rev. John J. Powers, pastor of St. Columba's, and Hon. Edward Quinn, mayor of Cambridge. A far from discouraged gathering was present during the speech-making, and the several artistically arranged booths did a prosperous and bustling business after the party was officially declared open. Several visitors from Cambridge were on hand, including a delegation from the church of the Blessed Sacrament with which Fr. Powers was connected before coming to Lowell. General Manager Riordan was the

ple he had to work with, and in referring to the building of a new St. Columba's he remarked that faith had a great deal to do with such a proposition.

Mayor Quinn of Cambridge, a personal friend of both Fr. Powers and Dr. McGarry, came to show, he said, the high regard in which Fr. Powers is held in Cambridge where he was "an asset to the church and city. He is your gain and our loss." The visiting mayor again emphasized his pleasure at being present, and gave way to Fr. Powers. The latter spoke briefly, thanking Manager Riordan and all others who contributed to the undertaking and wishing everybody a good time.

The mid-way then claimed the attention of the increased attendance and in a few moments, the church grounds were bustling with activity. At the Mammoth road entrance a huge arch, beautifully illuminated and gaily decorated in red, white and blue bunting, offered an attractive means of access to the spacious grounds. A row of suspended electric lights illumined the intervening space between the entrance and the grounds proper, and in the latter area were spread out the booths of valuable wares with energetic salesmen and saleswomen ready to administer to the wants of the patrons.

On the first table was seen a group of novelty dolls, something out of the ordinary, stylishly dressed and with "come-and-get-me" eyes which proven magnetic to the extent of several purchases. Table Number Two presented an assortment of clocks, watches, fancy jewelry and other novelties of fantastic design. The third booth was arrayed with dolls, different from those on the first table, but equally attractive, while the neighboring stand contained a collection of chocolates and candies of every description, together with a coterie of stationery, which didn't remain that way after scrutinizing eyes had glimpsed its beauty and value.

Following the crowd on its pleasant and surprising itinerary, the visitor was next confronted with a setting of

## MANY CLAIMS TAKEN UNDER ADVISEMENT

Attorney James J. Bruhn appeared before the city council committee on claims last night, relative to the claim advanced by laborers in the ash department for compensation for overtime work, or work done beyond the 45-hour week limit. The matter, as well as a number of other personal claims, was taken under advisement by the committee.

A test case on the matter of additional compensation for ash collectors now is in the courts and it is not expected the committee will make a decision until it is settled.

Members of the committee present were Chairman Daniel F. Moriarty, Donald M. Cameron and Eugene J. Fitzgerald. Councilors Arthur Genest and Daniel Cosgrave were unable to attend. City Solicitor Patrick J. Reynolds also was present.

## MUST PRODUCE WARD CABLES

WHITE PLAINS, N. Y., June 29.—Supreme Court Justice Wagner today announced his decision that the contested cablegrams that passed between Geo. S. Ward, president of the Ward Baking company, and his son, Ralph, relative to the blackmail plot which Walter S. Ward claims caused his slaying, in self-defense of Clarence Peters, should be presented to the extraordinary grand jury investigating the slaying.

Justice Wagner's decision, however, did not pass upon the question of whether the messages might be placed in evidence before the grand jury, merely directing that the Western Union and Commercial Cable Co. produce their copies in the grand jury room.

# Winners of Carney Medals at Lowell High School

NORBERT LAWRENCE O'BRIEN

IRENE MARIE GILET

EDITH ANN ADLER

DOROTHY CLAIRE DONOHUE

CARL THORSTON CARLSON

FOSTER HERBERT RICHARDS

Of outstanding interest at the high school graduation exercises on Wednesday evening was the award of Carney medals, emblematic of extraordinary scholastic attainments during the school course. The medals typify the highest possible grade of academic accomplishment and are earnestly sought,

but limited to the number of six, three boys and three girls.

The winners in the 1923 class were Edith Ann Adler, Irene M. Gilet, Dorothy C. Donohue, Norbert L. O'Brien, Foster Herbert Richards and Carl T. Carlson.

Edith Ann Adler is the daughter of Mr. and Mrs. Walter Adler, 26 Crowley

street. She prepared at the Butler grammar school. She was the salutatorian of her class and also was awarded a 100-word certificate in stenography.

Irene Marie Gilet entered the high school from the Washington grammar school. She is the daughter of James Gilet of 905 Chelmsford street. In her junior year she received the medal

award for excellence in United States history and served as a captain in the girls' battalion in her senior year.

Dorothy Claire Donohue, daughter of Mr. and Mrs. Timothy Donohue of 252 Moore street is a product of the Sacred Heart school. She will enter the Boston University School of Liberal Arts next fall. She is the third of her fam-

ily to receive a Carney medal award. Norbert Lawrence O'Brien is the son of Mr. and Mrs. Daniel S. O'Brien of 91 Riverside street. He was valedictorian of the 1923 class and was editor-in-chief of the Review. He will enter Holy Cross college in September.

Carl Thorston Carlson is the son of Albert R. Carlson of 375 Chelmsford

street. He prepared at the Washington school. He served as a captain in the school regiment this year.

Foster Herbert Richards is the son of Mrs. Elizabeth Richardson of Dracut and entered the high school from the grammar school in Collinsville. This year he was major of the first battalion in the school regiment.

# Delicious Iced-Tea - Without Boiling Water!

Is a Marvelous Discovery Made  
Possible By **TAO TEA BALLS**

No Boiling or Heating Water. No Waste of Ice.  
No Waste of Tea. Simplest Method Ever Devised.

Drop one or two Tao Tea Balls into a teapot of cold water (not ice-water) after breakfast, and for luncheon you have the most fragrant and delicately-flavored tea you ever tasted. (Use one ball to four cups.)

Add a chip of ice to frost it, and a slice of lemon, and it's ready to serve. Sweeten with powdered sugar.

Think what this means. Making Tao Iced-Tea is as easy as drawing water from the faucet. No water to boil. No heat melting away your ice extravagantly and diluting the tea. No messy tea-leaves to clean up.

Only Tao Tea can be made in this way. The slow action of cold water extracts all the essential aroma and perfect flavor of this marvelous Flowery Orange Pekoe Blend. Nature put the exquisite flavor into the tiny bud-leaves slowly—it's best when you draw it out slowly.

The Tao Tea way requires three to four hours to bring out its full fragrance, but

no matter how long you leave it, Tao Tea never grows bitter. You can leave it as long as you want and be sure at any time of having perfectly flavored, amber-colored tea, ready to serve.

The most delicious iced-tea known. None of the flat taste of boiled water—only the sparkling clearness and vitality of fresh water mingled with the delicate flavor of this supreme Tao Tea.

Try iced-tea the Tao way today.

Tao Tea is packed in sterilized surgical-gauze balls. One ball makes 4 or more cups of wonderful tea—more economical than any other tea. Tao Tea is the supreme blend of tiny bud-leaves on the tips of the best plants of India, Ceylon, and Java. No coarse, fibrous, metallic-tasting leaves from further down the plant are used. Tea experts call it Flowery Orange Pekoe.

For making hot tea, follow instructions inside each package.

## FRENCH PEASANT TYPE DISAPPEARING

PARIS, June 28.—Movies in farming centers to teach the French peasants new methods of cultivation have made the people of the cities realize with something of a shock that the peasant is changing his ways. The policy of keeping land holdings small has made the French a nation of proprietors, so far as such a condition can exist. The French inheritance laws tend toward the equal treatment of children in wills, so that in most cases the farm is actually divided into small tracts rather than sold and the proceeds distributed. This love of the land, and a conservatism born of living to himself is said by sociologists to be changing. The farmer of today looks upon his land as the instrument of fortune building. He will sell it at a profit for he can buy more.

Fifty years ago the French farmer kept as a secret the return from his crops and the kind and quantity of fertilizer he used. If he needed money he regarded borrowing with such dismay that he went to a money lender in another district, often at night, and paid usurious interest to escape publicity.

The modern farmer, although still prone in the minority, joins co-operative buying and selling organizations, discusses the best methods of cultivation with his neighbors, and is proud to tell what good bargains he has made.

This, however, is the rosy view of country progress. There still remains the old type of suspicious peasant,

guarding jealously his bit of land and the secrets of his savings, hidden in the house or buried under the floor. This method of hoarding, known as the "woolen sock," is believed by financiers to explain the rapid disappearance in France of gold and silver, and even of a great mass of bank notes. The French have learned to subscribe to bond issues, as a matter of patriotism, but the police records of big hauls by thieves in apparently poor homes show that many Frenchmen still have no use for banks.

## LESS FOOD FOR MEN OF Riper YEARS

SAN FRANCISCO, June 28.—Two meals a day as a regular diet for men over middle age, especially those whose occupations do not require great physical exertion, would avoid disorders of the stomach, kidneys and heart, Dr. C. D. Spivak, of Denver, told the American Medical association here today.

Dr. Spivak stated that a study of the diets of a large number of families indicated that the caloric value of the daily meals increased, breakfast having the smallest value, lunch the next and dinner the largest. As persons grow older, the appetite grows feebler for the first meal of the day, and yet the quantity of food consumed as a result of habit remains the same, added Dr. Spivak.

## AIRPLANES NOW CARRY NEWSPAPERS

LONDON, June 28.—By the Associated Press (London and Paris newspapers publishers have set American newspapers a good example by transporting thousands of tons of newspapers by aeroplanes between the two capitals. It is now possible for Americans or others to purchase copies of their favorite English journals in the streets of Paris soon after breakfast, while Parisians and Americans in London enjoy similar advantages in regard to their favorite French publications.

During six months of 1922, 77,326,000 pounds of newspapers were transported by airplanes from Paris to London, and an almost equal quantity from London to Paris.

## FIND A SKELETON 2,000,000 YEARS OLD

LONDON, June 28.—The complete skeleton of a crocodile, which is estimated to have lived more than two million years ago, has been unearthed from the Oxford clay of Peterborough brickyards by P. J. Phillips, a noted English geologist.

The skeleton is 16 feet long and is identical with the skeleton of the present day crocodile. The monster was, however, a sea-going creature belonging to the middle Mesozoic period.

## NO STOPPING DAN CUPID IN ENGLAND

LONDON, June 28.—High taxes and unemployment cannot stop Dan Cupid, or at least they could not in 1921, which is the last year for which full vital statistics have been com-

## MOTHERS URGED TO NURSE BABIES

SAN FRANCISCO, June 28.—Anti-maternal care for their young today the same as they did centuries ago. Only the genus Homo has gone astray. Dr. the genus Homo has gone astray. Dr. the specialists in diseases of infants and children at the annual session of the American Medical association here today. These words preceded an impassioned plea for breast feeding as the best method for the good of the race, and Dr. Turner urged physicians to adopt the information gathered from observation of animals to induce mothers to nurse their babies.

Dr. Walter F. Winholt and Professor E. C. Jordan, of the University of Chicago, told how babies catch cold. Their facts were based on a study of 500 with and 500 without colds, and it was shown that the occurrence of colds in infants is usually accompanied by a high proportion of colds in the other members of the family. This fact causes the doctors to believe that colds are caused by a widely disseminated infectious substance of low infectivity, and that the incubation period, or the time required for this infecting substance to cause a cold, is very short.

The effects of colds in babies are more serious than in grown persons; particularly because they tend to derange the digestion and other functions of the body, the physicians said.

Noted in Britain. That year the marriage rate was 14.5 persons per 1000, a rate that has not been exceeded since 1874, except for the war and post-war years of 1915-1920.

The usual ages for the newly-weds were 24 for the men and 21 for the women. There were more marriages than ever before. Except for the war years, the birth rate of 22.4 per 1000 living was the lowest recorded since 1887.

About 15,000 boys and almost 50,000 girls married before reaching 21. Sixty men and 12 women married after attaining the age of 50.

## LASKER TALKS ON SEIZURES

Says Next Congress May  
Change Law Regarding  
Liquor on Ships

Action in Seizing Liquors a  
Blow to American Ship-  
ping, He Says

CHICAGO, June 29.—Expressing belief that the next congress will change the Volstead Act to permit foreign ships to bring liquor under seal into the territorial waters of the United States, Albert D. Lasker, retiring head of the United States shipping board in a statement here said he had reason to believe dry as well as wet law makers would support such a measure.

He said that the board had never been in favor of the Treasury department's ruling resulting in the policy of seizing liquor from foreign ships entering America's ports.

"It is absolutely wrong," he said, "to surmise that the rulings that prohibit foreign ships from bringing into this country a sufficient amount of liquor for the return trip was done as an aid to American shipping. Instead it is a blow and may be a big loss."

Mr. Lasker said he did not fear international complications, asserting that there was nothing to prevent foreign ships leaving their liquor supplies outside the three mile limit and picking it up as they returned, which American ships may not do.

"The point is," he said, "that in trying to make the ocean dry, the keeping of the land dry is endangered. I believe the dry advocates will see it that way and take steps accordingly."

## VANDALISM AT FORT HILL PARK

Robert H. Merrill and Frank R. Black, who were arrested at Fort Hill park by Officer William Pury last Sunday for destroying trees, were arraigned in the juvenile court this morning and their cases continued until next Friday. Their arrest followed a crusade begun some time ago by John W. Keenan, superintendent of parks, with the co-operation of the police department, to put a stop to vandalism.

## Three-Day Garden Party Continued

blankets on the fifth stand—white fancy needle work and embroideries constituted the attractions on the table adjoining. A rare collection of silverware, clocks, cameras, music boxes and myriad other articles composed the stock of the seventh booth. The remaining spaces were occupied with a refreshment stand, dispensing tonics, sandwiches and ice cream, and an "Afroon Dodge" who managed to escape the shots and slants of erstwhile baseballers.

That completed the roster of stands last night. Other features will be added tonight and tomorrow afternoon and night. As a special attraction for this evening, the management has secured the services of a ladies' band from Cambridge. Daly's life and drum corps did the honors in the musical line last evening. Tomorrow afternoon, a children's entertainment will be given under the direction of Cornelius F. Cronin.

The chairman of the various committees, who were active during the successful progress of last evening's opening, are as follows:

Refreshments—Mrs. Patrick Brennan.  
Candy—Miss Emeline Barry.  
Blanket and Puff table—Cornelius F. Cronin.  
Tub table—William Finnick.  
Silverware table—William Mahan.  
Puff table—Joseph P. Quigley.

Torpedo table—George Doran.

**Tonight's Program**  
The program for tonight will include music by the University Sextet orchestra from Cambridge and the following local talent:  
James O'Garra, Irish bagpipes; Patrick Callahan, violin; Mrs. Conway and daughter, May, in Irish dances. May Flanagan and other well-known local talent.

## For Vacation Discomforts

The unaccustomed exercise of vacation-time is apt to make the muscles sore, stiff and painful. Other sports are sunburn, insect bites and poison oak or poison ivy.

Vicks can be applied to prevent these discomforts and is also a soothing relief. It helps, too, in case of summer colds, hay fever or headache.

## MANY LIQUOR CASES IN THE DISTRICT COURT

According to statistics compiled by Capt. Geo. B. Palmer of the local liquor and vice squad of the police department, officers under his jurisdiction dealt with 225 cases in the district court for the first six months of the year. His detailed report is as follows: Number of cases in court, 224; cases pending in district court, 13;

cases pending in the superior court, 8; 8 Sanborn street, will observe their silver wedding anniversary at their home next Sunday. No formal reception is being planned for the day, but Mr. and Mrs. Loftus will be at home to a large number of their friends on next Sunday afternoon and evening. The anniversary falls on the 30th of the month, which would be tomorrow, but owing to the fact that it is Saturday, the couple decided to celebrate the event on Sunday. The couple were married in St. Patrick's church, South Lawrence, as Mrs. Loftus is a native of that city, but the greater part of their married life has been spent in Lowell, where Mr. Loftus is connected with the Geokin furniture

## LOWELL BOYS CHARGED WITH POCKET PICKING

James Fitzpatrick, Stanley Pekos and John J. Reardon, three local youths were arraigned in the superior court at East Cambridge yesterday on charges of pocket picking. Fitzpatrick was sentenced to Shirley and Pekos to the Lyman school, while Reardon was placed on probation.

The trio appealed sentences in the district court here some time ago. They were arrested after picking pockets in a downtown store.

## STRIKING MOLDERS WILL MEET TOMORROW

A special meeting of the molders of the Saco-Lowell and Kittery foundries, who have been out on strike for the past four weeks, will be held tomorrow morning at 9:30 o'clock in their row.

quarters in Trades & Labor hall, Central street. The president of the Massachusetts branch of the American Federation of Labor will address the gathering and it is hoped all will be present.

Organizer Murphy of the International Molders' Union of North America, who is practically in charge of the local strike stated this morning that there has been no change in the strike conditions. "These men are holding out firm, while strikebreakers are attempting to fill their places," he said. It is expected that Vice President O'Neill of the I. M. U. of N. A., who was recently called away to Maine, will return to this city tomorrow morning at 9:30 o'clock in their row.

## MOTHER OF 14 FREED BY JURY

New York Woman Was  
Charged With the Murder  
of Her Husband

Freed Woman Now Plans to  
Go to the Country for  
a Rest

NEW YORK, June 29.—Two New  
York juries have returned verdicts, of foreign vessels and cannot be cer-

only a little more than 24 hours apart,  
passing upon the lives of women ac-  
cused of murdering men.  
Last night at midnight, Mrs. Mary  
Lonegan, mother of 14 children, six  
of whom are alive, was freed. She  
had been charged with killing her hus-  
band John, an ex-prize fighter, who,  
she said, had attacked her after he  
had refused their youngest daughter  
money with which to buy food.  
Night before last Mrs. Anna Huxar  
was convicted of first degree murder.  
She shot Fred Schneider, a wealthy  
Bronx contractor, with whom she lived  
in a luxurious Grand Concourse apart-  
ment.  
Today Mrs. Lonegan was planning to  
go to the country for a rest, her  
first in 30 years.

## COMMENCEMENT BAN- QUET AND RECEPTION

The commencement banquet and re-  
ception of the members of this year's  
graduating class of Wood's Business  
college was held last night in one of  
the class rooms of the school. Prin-  
cipal Elliott Wood and Mr. and Mrs.  
Raymond Conway were the guests of  
the evening. Dinner was served at  
5.30 o'clock and following the meal the  
real fun of the evening started. The  
class prophecy was read by Miss Dor-  
othy Murch and the knooks by Miss  
Eather Lovender. A band orchestra  
composed of students of the school  
furnished music during the evening  
and dancing was enjoyed until a late  
hour.

This was the last get-together be-  
fore the graduation, which is to be  
held tonight. The principal speaker  
at the graduation will be Hon. James  
E. O'Donnell, and the diplomas will  
be presented by Mayor John J. Dono-  
van.

ried as part of their medicine supplies.  
Dr. E. K. Sprague, senior medical of-  
ficer of the United States public health  
service, has been instructed from  
Washington.

Dr. Sprague, who determines the  
amount of medicinal liquor needed on  
foreign ships using this port and who  
is in charge of issuance of permits  
declared he would follow instructions  
immediately.

Representatives of French and Ital-  
ian steamship lines, however, declared  
the treasury department's pharmacopeia  
incomplete. Protests would be made,  
they said.

## ANNOUNCES

THE OPENING of one of the most modern, and up-to-date  
Dental offices in this city to be known as Dr. Fagan, the  
moderate price dentist. The office is located at 103 Central Street,  
opposite the Strand Theatre, and is one of the most hand-  
somely equipped and brilliantly lighted dental parlors in this  
vicinity. No expense has been spared, thousands of dollars  
have been spent in opening this most up-to-date, sanitary  
dental parlor. With equipment of surpassing nature, Dr. Fagan  
will be in a position to render the very highest degree in  
efficiency in all branches of dentistry. Dr. J. Henry Fagan  
is of the newer generations of dentists who believe that you  
can't compete Twentieth Century with Nineteenth Century Ideas.  
Dr. Fagan's aim is to give the people of Lowell and vicinity  
most modern sanitary dental service at most reasonable prices  
in an office equipped with practically every device known to  
modern dentistry.

## EXPERT EXTRACTION

We never advise extraction unless it is absolutely neces-  
sary, but when we do extract, we do it without one bit of  
pain. We use two methods to obtain this result. One is by  
Sleep Vapor (nitrous oxide and oxygen), the surest and best  
method in the world; the other is by means of our own  
preparation applied to the gums. Either way means no  
pain for you. We do not charge an exorbitant figure for  
this work either. No charge for painless extraction when  
other work is done. All work guaranteed.

Don't feel that you are putting me to any trouble because  
you come in for advice, or come to look the office over. My  
methods put me in a class entirely by myself. Come and look  
over my establishment and you will be compelled to admit this.  
And now having talked to you thus, I invite you to call for a  
Free Examination. It will repay you, for a few minutes' time,  
to learn the truth about the condition of your teeth.

## BANK MAN'S CASE IS CONTINUED

CONCORD, Mass., June 29.—A con-  
tinuance until July 19, was granted in  
the district court today in the case of  
John H. Garlick, charged with larceny  
from the Maynard Trust Co. Bonds  
of \$5000 were continued.

After a one-day run on the bank last  
month a shortage in Garlick's accounts  
was announced which the state bank  
commissioner said after investigation  
would not exceed \$2500. Garlick, who  
had previously disappeared, was ar-  
rested a few days later on a warrant  
charging larceny of \$500. President  
George H. Crockett of the bank said  
that Garlick's bond of \$10000 had been  
paid in full by the concern which had  
bonded him, and asked for the bank  
said it was understood that restoration  
would be made to cover the remainder  
of the shortage.

## GAS PLANT FIRE CAUSES BIG LOSS

BATH, Me., June 29.—Fire which  
broke out at the gas plant of the Cen-  
tral Maine Power Co., early today  
burned a coal shed with 250 tons of

soft coal and 400 other damages there.  
It then spread to the adjacent coal  
plant of Edward W. Larrabee, where  
it destroyed two coal sheds, a stable  
and storage house. Firemen had dif-  
ficulty in preventing the spread of the  
flames to the gas plant. The loss was  
estimated at \$2000, about evenly di-  
vided between the two concerns.

MOSCOW, June 29.—It is an-  
nounced that the Ukrainian and  
Trans-Caucasian republics have joined  
Russia in the boycott against  
Switzerland occasioned by the assassi-  
nation at Lausanne of Vaslav Vor-  
lovsky the soviet emissary to the Near

### COURT RAIMENTS COST \$200 AND \$300

LONDON, June 28.—Americans who were fortunate enough to share in the recent court of King George and Queen Mary found the privilege of meeting the British sovereign a rather expensive one.

To conform to accepted etiquette on such occasions it was necessary for the men to wear silk velvet suits with knee breeches, knee and shoe buckles and silk stockings, the whole costing them something like \$200.

The women's fashions, consisting of court gowns with long trains, feathers and veils, fan, gloves, slippers and silk stockings, priced at an outlay of \$200 or more. These clothes were discarded immediately after the court function because they possess no utilitarian value.

There are certain imperative regulations which must be observed by women in court dress. Skirts must not be less than three inches from the ground, and trains must measure no more than 18 inches from the back of the waist when standing. The veils drawn into such perambles.

### ASKS NEW DIVORCE FROM SAME WIFE

WASHINGTON, June 28.—Chester Carpenter, a government clerk, has the district supreme court wondering how often a man is entitled to a divorce from the same wife and for the same reasons. He filed yesterday his second petition so far this year. He obtained the first divorce March 5, at Madison, Va.

Then on May 17 he remarried his wife. His petition today names the same co-respondent. But now, it appears, he is convinced his wife's alleged affection for the co-respondent is persistent. The wife, Mrs. Charlotte E. Carpenter, is also a government clerk.

### ASSIGNED TO ST. ANDREW'S CHURCH

Rev. Richard Gessell, who was previously assigned to the parishhood, has been assigned to St. Andrew's church in North (Bellevue) for the summer season. The new assignment, who has already taken up his new duties, will assist Rev. Dr. Sullivan and Rev. Fr. Cunningham in the spiritual work of the parish.

### COURT GEN. SHIELDS

At a recent meeting of members of Court Gen. Shields, 146 F. of A., the following officers were elected for the coming year: John H. Hensley, chief; James H. Kennedy, sub-chief; Robert L. McDonald, treasurer; James H. Cox, financial secretary; George A. Bowles, recording secretary; Patrick Kowke, senior warden; G. W. Kamen, junior warden; Stephen Carroll, senior leader; James E. Lamy, junior leader; Frank J. Mullen, corresponding secretary; Dr. W. M. Collins, medical examiner. The installation will take place on the evening of July 12.

### HELD ANNUAL DINNER

The annual dinner and get-together for the members of the Athletic Association of the International Cotton Mills took place last evening in the dining hall of the Central street and was attended by over a hundred members of the organization. In the early part of the evening dinner was served and later an address was delivered by Miss Miriam Higgins, acting president of the association. Orchestra numbers were played and general dancing was enjoyed till a reasonable hour.

### NEW SANATORIUM FOR WOODMEN

### The Hospital will care for 1500

patients, and is the first of four to be established in four states for the treatment of tuberculosis.

### CHALIFOUX'S FASHIONGRAMS FROM PARIS

McCall Printed Pattern 3249

Hot weather means a change not of style but of fabric for the woman who likes coolly efficient tailored clothes. This coat dress, for instance, is made of dark silk crepe, dyed poncee or linen for summer wear and retains its style whatever its fabric.

Notice the low bloused waist line, the size panel and the wide cuffs that a French designer has made famous. The model was sketched from McCall Printed Pattern 3249, Dec.

# YANKEES INCREASE MARGIN IN CLASH WITH ATHLETICS

New York Team Now Six Full Games to the Good—Ken Williams Closes Up on Ruth for Home Run Honors—Giants Keep Piling Up Lead, Winning Their Tenth Straight Game ever, That They Will Get Money

NEW YORK, June 29.—The New York Yankees won the first game of their decisive series with the Athletics yesterday and increased their margin in first place to six games. By winning the remaining three of the series Philadelphia can cut the lead in half, but they will be further away from the leadership than they were two weeks ago when it stood at two for 25 hours. St. Louis won first place in the first division, Brian Shooker winning his 11th victory of the season and Ken Williams getting his 11th home run, bringing him within three of the league-leading Ruth. Boston beat Washington in the first of their series for last place and rain prevented the Chicago-Cleveland game.

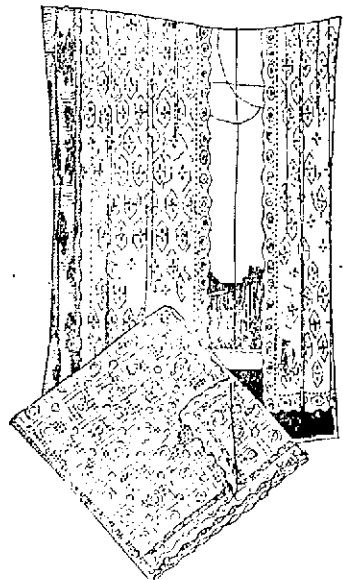

## U-BOAT CAPTAIN GETTING BETTER

BERLIN, June 29.—The condition of Captain Hans Rosa, commander of the German submarine U-53, which appeared off Newport, R. I., in 1916, is considerably improved. He was reported several days ago to be lying at the point of death because of mistreatment by Belgian soldiers. He was then in jail.

form and Lou blew in the seventh inning after his team-mates had made seven runs, a lead of four. As St. Louis beat Chicago, 1 to 0, Dickerman's failure cost the Robins a chance to climb back in the first division.

Pred Toney, veteran of veterans, was the finger who topped Grover Alexander after Grover in his last appearance had stopped the winning streak of Adolf Luque, the Cuban twirler. Toney held the Cubs to four hits.

GAME TONIGHT

K. of C. vs. S. and E.

McGowan's clutch hit into right field with two men on the bases in the sixth inning caused the 4 to 2 downfall of the Centralvilles at the hands of the Y. M. C. I. nine, in an interesting pitcher's battle between Eddie Cawley of the winning team and Sammie Poulton of the Centralvilles at the second common last evening. A large crowd gathered to witness the contest, in spite of the gathering clouds and the light drizzle which fell on the field during several innings of play.

Both teams were effective, and the runs scored on their respective pitchers were the result of a series of misplays and slow fielding on the part of the outer garden protectors. Each man allowed the lands of the field seven and Poulton whiffed each man granting a free pass to first. Centralvilles tallied in the first inning with what appeared to be the winning run, until McGowan cleared the decks with his clutch hit in the sixth.

Poulton retired the first three Y. M. C. I. batters in two men with little trouble, and it looked as though Sammy was in winning form. Brogan leading off for Centralvilles, slammed the ball over second. Cawley making a neat stop of the hit but was unable to get the ball to first. Dow attempted to hunt and Cawley came in fast for the arge, but he overran the ball, slipped, and both runners were safe. McVey was poked on the arm with a fast one and the bases were filled to capacity. W. Pove hit a fast one through the box, McVey deflecting the ball into Willard's hands for an out at first. Brogan's run on the play, which was fast. W. Pove followed his brother with a clutch to second, which Willard found too fast to handle and how registered the second run. McVey attempted a screen on the play, but he was wrecked out at the home station on a quick throw from Willard, who made a fast recovery of the ball. Bradbury scored the inning with a tap to the second.

Y. M. C. I. made a brave attempt to stage a comeback in the third inning and for a while it looked as though they would take several runs. With two down, O'Day and McGowan received lives on infield hits, and a pass to Willard, who cleared the bases. Poulton tightened and worked himself out of the hole by whiffing Liston for the third out. Both pitchers had charges of proceedings until the final sixth.

into right field, taking a bad hop, it bounded past the right fielder and rolled for a home run. Willard ended the frame with a strikeout.

Poulton led off for Centralvilles in the seventh as large drops of rain started to fall and darkness veiled the scene. The field, but Cawley fired the next pair of batters on strikes and forced Brogan in to hit to second for a force play. The game closed with the hit into the infield. Several hits which ordinarily would have gone for singles, struck the hard pavement and bounded for extra base knockouts.

The play was unusually fast on account of the smooth work of the competing pitchers and the liking of the hitters to connect with the first pitch that came within reach. Low at eight with two put outs and five outs without a flaw, played a great defensive game for the vanquished. McGowan made three neat catches in left field for the Y. M. C. I. defenders. The score:

BROWN IS THE FAVORITE WANDERERS REORGANIZE ON EVE OF BATTLE

The Wanderers, 1923 amateur champions, have reorganized for the season and will start their activities by playing the Wildcats of North Billerica on the Kelausch playgrounds in the suburban town tomorrow afternoon at 3 o'clock. The local champs, under the able management of "Red" Wallace, an authority on team direction, are composed of several stars and are prepared to meet any and all teams in the city without exception. Among the favorites who will be seen in Wanderer uniforms this summer are Riley and D. Lawson, two clever backstops; "Toby" Lawson and "Snubber" Trask, two extraordinary. Also Hunkley and Matherson Jr. Ducky Bradbury Jr. Purcell Jr. Bagley Jr. McNulty, Leo "Flash" McInle, John Souza and J. Kully in the outfield. Tommy Fleming is business manager of the outfit, and games may be arranged by calling him at 1185-W after 5 p. m.

Adence, although Murphy's followers are as loyal a group as ever backed any athlete. Brown's hitting ability has made him the favorite.

There has been a large demand for the ladies' section which is a new feature in local boxing circles. Additional cars will make the trip to Alumni field for the advance sale indicates the largest number of paid admissions which Alumni field has ever held.

In the semi-final of eight rounds Nick Madonna of Lexington will meet Jimmy Carroll of South Boston. This affair promises to be a hurricane battle. The preliminaries will bring together Jerry Mahoney of Woonsocket and Johnny Morris of Lawrence in a six-rounder and Jimmy Barry of Cambridge and Sallor Monroe of Charlestown in another action bout of the same distance.

# TOMMY GIBBONS HAS A HUNCH

Year Has Seen Five Champs  
Fall and Dempsey Next,  
He Says

Challenger Sure That "23"  
Jinx Will Bring Him the  
Crown

By WILSON ROSS  
N. E. A. Fight Expert  
SHELBY, Mont., June 29—Tommy  
Gibbons is playing a hunch.

He has it all doped out that this  
year of '23 is the skidoo year for  
champions—particularly those of the  
middleweight class. And he figures Jack  
Dempsey is one of those destined to  
be hit by the jinx.

Just listen to this from the chal-  
lenger.

"More champions of the ring have  
fallen in this year of 1923 than in any  
two years in the history of pugilism,"  
Gibbons says. "Champions who have  
held titles for years have fallen."

How Mighty Have Fallen  
"Look at Johnny Kilbane. He held  
the feather title for 11 years, but En-  
gine Crisp nailed him this year. The  
veteran Jack Britton lost his crown  
to Mickey Walker after being the wel-  
ter king for years."

"Pancho Villa copped the world's  
flyweight title from Jimmy White and  
Gene Tunney took the light-heavy-  
weight crown from Harry Greb. John-  
ny Dundee lost his junior-lightweight  
crown the other day to Bernstein on a  
decision."

"That's five world titles that have  
changed hands before this '23 year has  
half done its rounds. And it looks like  
several other world titles are destined  
for transfers before the year ends."

Johnny Wilson is about ready to  
get into the ring again in a title bout  
and nobody would be surprised if his  
middleweight crown toppled off in the  
first fight in which he risks it. And  
you hear plenty of predictions that Joe  
Lynch will lose the bantam title as  
soon as he gets into the ring for a  
decision battle.

Perhaps Dempsey, Too!  
"Yes, and the dopsters will tell you  
that Benny Leonard has gone so long  
without deciding that his lightweight  
title will be decided in jeopardy  
whenever he risks it against any op-  
ponent."

And the heavyweight title of Eu-  
rope has found two new owners since  
January 1. Battling Riki knocking in  
Carpenter's brow and then in  
turn losing it to Mike McTigue. Fur-  
thermore, this Pancho Villa, who up-  
set Jimmy White, had previously lost  
the American flyweight title this year  
to Frankie Deane. So Villa occupies the  
unique position of being world cham-  
pion but not champion of America.

Now, would it be so very strange  
if this skidoo year of '23, which has  
been the downfall of so many cham-  
pions—Britton, Kilbane, White, Greb,  
Dundee, Carpenter and Riki—should  
also witness the overthrow of the  
heavyweight champion, Jack Dempsey?  
"There is even the possibility that  
every world title in the ring may  
change hands before the ball ticks mid-  
night on December 31."

I cannot see Dempsey as the man-  
eating, superman that some folks have  
pictured him to be. He can be gotten  
the same as all the rest of the cham-  
pions. He can be knocked out.

"To my way of thinking, he has  
fought only one real opponent in his  
entire career. That was Billy Mike,  
and Mike was far from being a well-  
man when he tackled Dempsey. All  
the rest of Dempsey's victims have  
been setups. And I do not even except  
Jess Willard when I say this."

Jack Only Human  
"Dempsey was a great big fellow but he  
was no fighter. His size had made  
him champion. He was not a boxer  
and it was a simple task for Dempsey  
to topple him over."

"Furthermore, in two years, Demp-  
sey has just fought one fight, and that  
was his four rounds at Jersey City

# BOTH MEN ARE RIGHT

Dempsey and Gibbons Will  
Be in Perfect Shape on the  
Fourth

This is the third Dempsey-Gibbons  
article Johnny Kilbane, former  
featherweight champion of the  
world, has written for N. E. A. Ser-  
vice and The Sun.

Johnny sat down to his type-  
writer after he had refereed some  
sparring bouts in the challenge  
camp at Shelby. Here are some  
of the observations he got as Gib-  
bons worked out.—N. E. A. Service.

By JOHNNY KILBANE  
SHELBY, Mont., June 29—Both Jack  
Dempsey and Tommy Gibbons will be  
in perfect physical form for their bat-  
tle July 4. There will be no alibis.

I have looked over both men at their  
camp. I have refereed sparring bouts  
for both.

And because of that I believe I have  
been able to get a better idea of their  
real condition than the writers who  
watch the daily workouts from seats in  
the bleachers.

Treats 'Em Too Easy  
Gibbons, the challenger, is a boxing  
marvel. When I went out to the ring  
where Tommy is working, I saw him  
in action for the first time. He im-  
pressed me as being about the last  
word in boxing perfection.

But no man can judge Gibbons by  
his appearance in his workouts. He  
treats his sparring partners too gently.  
He doesn't let himself out, fearing his  
knockout. There hasn't been a  
knockout, or even a knockdown, in the  
Gibbons camp since the challenger  
went into training.

Yet in Great Falls, where Dempsey  
is at work, nearly every man working  
with the champion finds himself on the  
floor at least once during the bout. Ot-  
ter he is laid out.

The scrap Gibbons and the fighting  
Dempsey are going to put on will be  
another exhibition of machinery vs.  
nature. Whether Tommy, the perfect  
boxing machine, can get Dempsey, the  
natural mauler, will be the big thing  
that battle will decide.

Can Travel Round  
Should Tommy prove fast and shifty  
enough to evade the champ for the  
first six rounds and get Dempsey tired  
as the result of the rushing he may  
be counted upon to win, his changes will  
be improved immensely. That is if Gib-  
bons' own energy holds out for this  
round. After looking him over I be-  
lieve he is in physical shape to go al-  
most any distance.

In all the history of heavyweight  
boxing, there never has been a braver  
challenger for the title. The result  
will depend, as I said before, on whether  
this combination of brains, speed  
and skill can beat the natural fighter.

With Georges Carpentier. And a fight-  
er cannot keep in fighting trim if he  
fights only four rounds in two years.  
He is bound to slip under such circum-  
stances.

Dempsey is just human, the same  
as all the rest of us, and this hour-  
glass of time is bound to tell on him.  
It can't help but slow him up.  
If I had fought only four rounds in  
the last two years I wouldn't dream of

ey, on the mound for the Salem Town  
team and the eloquent Davidson on  
the slab for the home club.

The pitchers will be supported by  
high calibre fielders and sluggers, and  
a close, low scored match appears to  
be in the offing. Method will watch

## DEMPSEY-GIBBONS FIGHT LOOKS MORE DOUBTFUL THAN EVER

**Promoters Straining Every Effort to Raise \$100,000 Balance of Guarantee Due Dempsey Next Monday, But Money is Nowhere in Sight—Backers of the Fight Are Still Hopeful, How-**

GREAT FALLS, Mont., June 29.—(By the Associated Press.)—Backers of the Jack Dempsey-Tommy Gibbons heavy-weight championship fight are straining every nerve and pulling every wire possible to raise the final \$100,000 payment due Dempsey on his \$200,000 guarantee and save the fight for Sunday.

The situation after a night of conference switching every dollar back to another, is unchanged, although every individual connected with the fight holds out hope that the necessary \$100,000 will be raised somehow, somewhere. There is no definite assurance that holds out any promise, except the statement that "we are working on two or three plans and expect to raise the money."

Supporters of Jim Johnson, mayor of Shelby and treasurer of the fight, who already has thrown \$10,000 of his fortune into the battle, are confident he will put the fight over even if he is forced to mortgage every piece of property he owns.

Every indication points to a complete financial failure, even if Dempsey and Gibbons actually met in the ring. Incidental citizens of Great Falls declare that the final \$100,000 statement for Dempsey should be paid as quickly as possible so that the attendance will not be further held down, which they say, will be certain if the payment is delayed until next Monday, the date on which it is due.

HELENA, Mont., June 29.—If the July 4 fight at Shelby does not materialize, every dollar which was paid for tickets must be refunded and Mr. Kearns and Mr. Dempsey cannot sit idly by knowing as they have known that tickets were being sold without rendering themselves blameless and culpable under our laws. Unless every dollar is refunded the purchasers of tickets in event no contest takes place by reason of Dempsey's refusal to appear.

SHELBY, Mont., June 29.—By the Associated Press. Complaint that Jack Dempsey will fight Tommy Gibbons there July 4, despite the financial troubles, is being spread among the task of doing for the index of visitors.

Current confidence is being placed in Mayor Jim Johnson by the city fathers. Expressions are heard on the streets frequently that "Jim will put it over."

Gibbons, meanwhile, continues to stare alone in his trading work, unmindful of the financial trouble.

In his workshop yesterday, he displayed

## ROWING TITLE GOES WESTWARD

**University of Washington Crew Wins Gritty Race on Hudson River**

**Youth With an Injured Leg in the Winning Crew From Seattle**

POUGHKEEPSIE, N. Y., June 29.—(By the Associated Press.) The seat of the nation's rowing championship, through the efforts of a gallant crew that pulled purple and gold-tipped sweeps to victory yesterday in the intercollegiate rowing association's 25th regatta on the Hudson river, is moved from Annapolis on the east coast, to Seattle, on the west.

A University of Washington eight—seven able bodied oarsmen, and a courageous youth with an injured leg—defeated a previously unbeaten Navy outfit, champions in 1921 and again in 1922, and four other crews of the east in a three mile pull down a picturesque course. And for the first time in regatta history, rowing supremacy of the college lies with the Mississippi.

Washington's victory, marked by one of the greatest exhibitions in regatta history, ended the two year regime of the Naval academy whose eight this season in the opinion of rowing critics, failed to measure up to the standard of the victorious crews of 1921 and 1922.

The Midway employed a different sort of strategy this year but it failed to offset the power of the Washington stalwarts. Instead of setting the pace from the start as its predecessor had done for two years, the Navy permitted first Columbia and then Washington to set a pace, holding their drive in reserve for the last mile. The midday challenged just as they had planned, and closed part of the gap that separated them from the smooth rowing work-mans as they entered the stretch, but Washington's stamina was sufficient to match that spirit.

Columbia's dizzy early pace proved their training and they never were dangerous after the two mile mark, barely lasting to nose out Syracuse for third place. Cornell and Pennsylvania were next.

Washington came within an ace of making it a double victory, their position right being less than a foot to Cornell in a finish that will be remembered among the most thrilling in regatta annals.

Under variety honors went to Syracuse, which scored decisively over three rival crews. Cornell finished a length behind and had a similar advantage over Columbia, while Pennsylvania trailed two lengths further in the race.

**Army Aviators, Trying for Endurance Record, Forced to Land**

Neither of the Two Are Reported to Be Seriously Injured

SAN DIEGO, June 29.—(By the Associated Press.) The airplane carrying Capt. Lowell H. Smith and Lieut. J. B. Reithen, army aviators, in their attempt to remain in the air for four days and four nights, crashed into the mud flats between Coronado and North Island at about 4:40 a. m. today.

It was reported by telephone from Rockwell Field that neither of the aviators had been seriously injured.

According to rumors, the aviators were trying to make a safe landing, but were forced to make further progress impossible.

**DENIES HE WAS TORTURED IN JAIL**

Mostly, June 29.—(By the Associated Press.) The Most Rev. Dr. Tikhon, released from prison to await trial by the civil authorities for counter-revolutionary activities, denies the reports that he was tortured while in and asserting that on the other hand he was well treated.

The former patriarch of All Russia, who plans to conduct services in the city of Moscow where he is now living, says he cannot recognize the action of the living church congress in excommunicating him, pointing out that it is not his duty to do so.

Considerable discussion is taking place over Archbishop Tikhon's letter in which he announced a reversal of the counter-revolutionary sentiments on which the charges against him are based.

## ANTI-SALOON LEAGUE MAY ASK ENFORCEMENT PLATFORMS

Decision as to Whether Two Leading Political Parties Will Be Asked to Include Plank in 1924 Platforms is Left to Executive Committee, Which is Composed of Two Factions—Fight Expected in Committee

WESTERVILLE, Ohio, June 28.—Decision as to the attitude the Anti-Saloon League of America shall take in regard to prohibition platform declarations by the two major political parties in the 1924 campaign, was one of a number of subjects under discussion by the executive committee of the organization here today.

State Superintendents of the league from 14 states, at the concluding session of a three-day conference yesterday, debated the question but left

H. Russell argues that it is the duty of the government to enforce laws and the other should not. It might prove embarrassing to the league. Other work of the committee, leadership and would include final approval of plans for the 1924 campaign, which also set forth that should one of \$2,500,000.

## Says High Blood Pressure Can Be Reduced to Normal THOUSANDS HAVE IT AND DON'T KNOW IT

Indicated by Dizzy Spells, Nervousness, Pains in the Head, and Sleeplessness

Perhaps you don't know that high blood pressure is so serious that life insurance companies decline to accept it as a risk people who have it.

That's the best reason in the world why anyone with this trouble should start at once to reduce the pressure.

Dr. H. Russell, who has high blood pressure, is troubled with dizzy spells

pains in the head, lack of appetite, and nervousness. They are usually restless, sometimes moody and can't sleep well.

Many women at the climacteric time of life suffer severely and have hot flashes, headache and a miserable feeling at times.

All such ailments, if caused by high blood pressure, will quickly disappear if NORMA is used intelligently. In many cases one bottle works wonders.

Opposes U. S. Plan to Search Vessels for Liquor in 12-Mile Limit

Lord Curzon Absolves This Country, in Breaking British Seals

LONDON, June 28.—(By the Associated Press) Although what is termed "the American bargain" still is under consideration today, Great Britain cannot accept the proposal of United States to extend to twelve miles the

limit within which vessels may be searched for liquor, Lord Curzon informed the house of lords yesterday. Reviewing the effect of the American prohibition policy on British shipping, as well as the legal aspects of that policy from the British shipping, the foreign secretary said consideration of what is termed "the American bargain" was still continuing under Lord P. ## Jack Daw's Adventures. Chapter 12

"Hello there, Cucy," shouted one of the good giants. "Do you want to join us in our game?" And then all of the good giants stopped bowling while Cucy took Jack up and introduced him. "Well," said a giant, to Jack, "you look like a strong boy. See if you can roll a boulder."

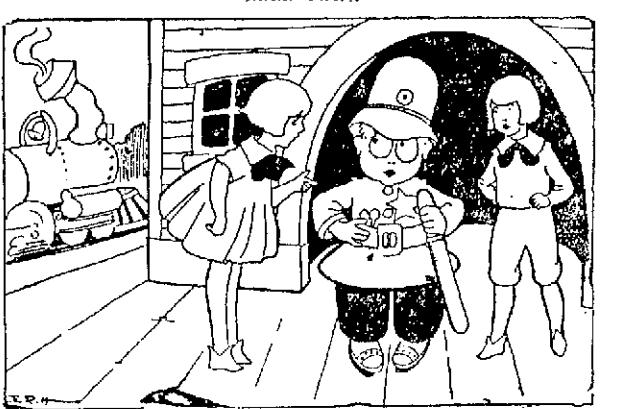

Jack tried as hard as he could to do as the giant suggested, but he couldn't even budge the huge rock. All of the giants laughed as they watched him struggle. Then one of them shouted, "Wait, now, and I'll show you how." Then he picked up a boulder and sent it skipping along the ground rapidly.

Into the trees went the rock and one of them toppled over just like the bowling pins Jack had often played with at home. "See how easy it is," laughed the giant. "Sure!" replied Jack, "it's easy for you, but no little person could do it." "Oh, yes, a little person could," replied the giant. (Continued.)

## ADVENTURES OF THE TWINS

by Olive Roberts Barton

"SHE'S ALL PATCH-UP WITH PAINTED HAIR AND POLKA-DOT STOCKINGS," EXCLAIMED NANCY.

"Toot! Toot!" went the Choo-Choo Express. And away it rattled, leaving Game Town far behind.

Nancy and Nick looked out of the window at the fences and trees flying by and thought they had never had such a nice ride.

"What is the next stop?" Nick asked when Mister Punch, the conductor, came along.

"Doll Town," said Mister Punch.

"Oh, good!" cried Nancy. "I'm just sure we shall find Ruby Joan. My last rag doll, there!"

"I'll tell Mister Toots, the engineer, to wait as long as he can so you will have time to look."

Pretty soon the train stopped and the Twins got off.

A policeman stood on the platform of the station so they went up and asked him if he had seen Ruby Joan.

"She's all patch-work with painted hair and polka-dot stockings," explained Nancy.

"Well, if she looks like that, no doubt she has gone to the French doll to ask for some new clothes," said the policeman.

"The French doll has lots of advice and everybody goes to her for advice."

"If I were you, I should go there and ask. She lives in that doll house with vines painted on it and real curtains at the windows."

But the French doll in her satin dress and ribbons and laces had been Ruby Joan. Now had her neighbor, the Chinese doll, or the black doll, or anybody.

Ruby Joan was not in Doll Town, it was plain, so the Twins ran back to the station and got on the Choo-Choo Express.

"Toot! Toot!" went the engineer. Away went the little train.

# PRIESTS TRANSFERRED CADETS ARE READY FOR

Fr. Somers Goes to Brookline  
and is Succeeded Here  
by Fr. Cotter

Rev. James M. Somers, for the past five years assistant pastor of St. Columba's church, has been transferred to St. Aidan's church, Brookline.

Rev. Cornelius J. Cotter, recently ordained at St. John's seminary in Brighton, has been assigned by Cardinal O'Connell to succeed Fr. Somers here. Fr. Cotter made his first appearance before the parishioners at the garden party last night.

Rev. Fr. Cotter, perhaps the youngest priest in Lowell, is a native of Rochester, and after receiving his elementary education in the schools of Boston, he entered Boston college, coming from there to the seminary in Brighton, being ordained at that institution a few weeks ago.

During his theological course, Fr. Cotter distinguished himself by his brilliancy as a student and his ability as an orator. He arrived at St. Columba's yesterday morning and will celebrate one or more of the parish masses next Sunday.

## LOWELL BARRISTERS ON ANNUAL OUTING

"Villa Lorraine, Popoverell," was the business address of most of the lawyers of Lowell yesterday afternoon, for the Lowell Bar association conducted its annual dinner and business meeting at this popular summer place.

The trip was made in automobiles furnished by members of the association. The party leaving the city at 2 o'clock. Upon reaching their destination, the members of the association enjoyed a delightful Victoria concert under the direction of Judge John J. Pickman and Arthur L. Eno, while others enjoyed their favorite sport, baseball.

At 4 o'clock a business meeting was held with President Pickman in the chair and routine business was transacted. A committee was appointed to endeavor to secure portraits of the late Hon. Elias S. Lilly and Hon. Nathan D. Pratt, former justices of the superior court, these portraits to be hung in conspicuous places in the superior court room of this city.

A feature of the meeting was the election of officers, which resulted as follows: Daniel J. Donahue, president; Hon. James E. O'Donnell, vice president; Joseph P. Donahue, secretary; and H. V. Charbonneau, treasurer. The election committee consisted of W. H. Wilson, Charles A. Donahue, Hon. Frederic A. Fisher, W. A. Hogan and Edward J. Tierney.

At 5 o'clock all sat down to a beautiful chicken dinner and at the close of the meal post prandial exercises included addresses by Mr. Wilson, Judge Pickman, Mr. O'Donnell, J. Joseph Hennessy and Hon. John Jacob Rogers.

Among those present were Hon. John J. Pickman, Hon. Frederic A. Fisher, Hon. John Jacob Rogers, Hon. James E. O'Donnell, Joseph P. Donahue, Frederic S. Harvey, Frank Goldman, John M. O'Donoghue, Joseph H. Guller, W. A. Hogan, W. H. Wilson, James E. Marchant, James H. Riley, Raymond P. Bourgeois, Arthur L. Eno, Cornelius J. O'Neil, James C. Warner, Henry V. Charbonneau, Charles L. ## ANNUAL ENCAMPMENT

The initial steps in the extensive preparations for the annual encampment of the O.M.C. Cadets at Milligan's grove in Wilmington, near Silver Lake, will be taken at a special meeting of the executive committee, consisting of Military Instructor Francis E. Gar-

FRANCIS E. GARGAN  
Military Instructor

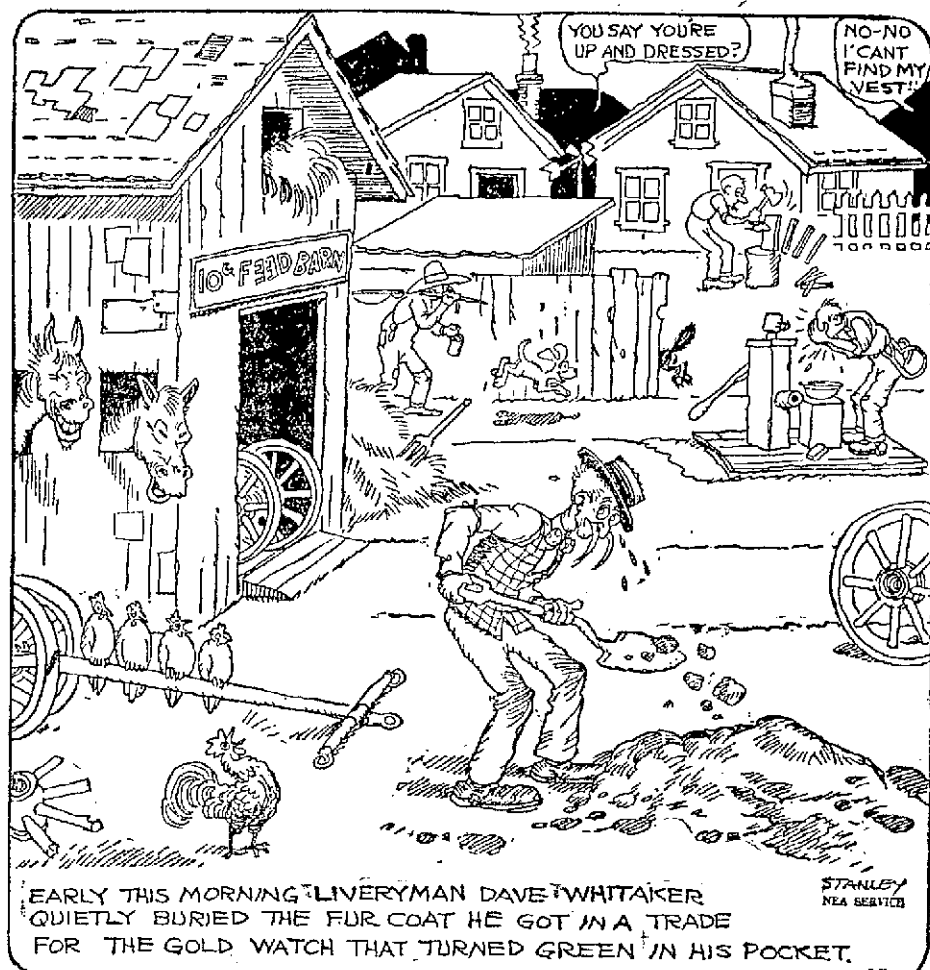

gan, Colonel William Donley and Major John O'Brien, in Y.M.C.A. hall this evening.

At 7:30 o'clock tonight, the above committee will be present in the machine hall to receive and act upon the applications of present and former members of the organization who are contemplating a sojourn at the familiar Wilmington camping grounds this year. With the hearty approval of Rev. Denis A. Sullivan, O.M.C. chaplain and organizer, it has been decided that this year's encampment will be held during the week of July 26. In order to get an approximate estimate on the number of accommodations to be looked, it is essential that applications for reservations be made as soon as possible. The fee has been set at \$5 per man, considered a very reasonable rate.

As in past years, the annual cadet encampment will be the feature of the organization's summer activities. Over 100 boys took advantage of the opportunity to enjoy outdoor life last year and the seasonal trip this season indicates surprising interest in the long event. Equipment will consist of a black uniform, two blankets, brush, soap, towels and other necessary necessities. Following a long-established precedent, one of the days in the week, perhaps Thursday, July 26, will be set aside and reserved exclusively as "Lowell day," at which time various military maneuvers and athletic events will be executed for the benefit of the large gathering of visitors who annually take occasion to visit and inspect the cozy premises in the pine.

Fr. Sullivan will be among those present as in the past. He will be assisted in looking after the many wants of the younger members by an active committee of officers, and by Michael Byrne, physical instructor of the Cadets and a great favorite in the organization. "S.D." McKenzie will be chief, which means all appetites will be satisfied.

A second meeting of the executive committee will be held next Tuesday evening in the Y.M.C.A. rooms to arrange for and develop further details.

## MUST NOT LET HIS HAND GO TO WAIST

(Special to The Sun)

BOSTON, June 29.—Driving of automobiles by young men, who have one hand on the wheel while the other is around the waist of a "sweetie," must stop, declared the state registrar of motor vehicles, Frank A. Goodwin, who today revoked or suspended 127 more motor vehicle licenses. These suspensions and revocations were for all sorts of violations of the traffic laws. Four licenses were taken away because the operators were driving with one arm while they had the other around a young woman seated beside them.

"It is difficult enough to drive with two arms without resorting to this dangerous process," said the registrar in commenting on his actions against the "goats."

In 12 of the cases where licenses were taken away motorists were deprived of their right to drive.

"So far as the motor cycles are concerned," continued Mr. Goodwin, "they are a positive menace to the highways."

The previous high record for suspensions and revocations in one day was 91. In this present clean-up campaign the registrar is trying to secure the combined efforts of the motor vehicle inspectors, the state constabulary and the local police.

## NAVY RECRUITS ARE NOT VERY PLENTIFUL

Harry F. Rogers of East Pepperell, formerly of this city, was enlisted as an apprentice seaman at the Lowell naval recruiting station in Fairhaven building yesterday, by Chief Walter Tender R. Frederick. The recruit has been sent to Newport, R. I. where he will undergo six weeks of training before he is assigned to a regular ship or station.

This is the second recruit signed at the Lowell office this week. A few which has not been duplicated here for several months. Five applicants were received this morning according to the report of the chief, who announced that the storm clouds of recruiting had lifted, and that men on the right caliber were beginning to look to the navy for their future. "I can convince the average youngster who has no trade or special educational qualifications, who is in good health, that he has opportunities for advancement in the navy outwishing his chances on the outside," asserted the recruiting officer.

Chief Tenderman C. P. Quinn, who has been acting as an assistant to Chief Frederick, has been detailed to report to Washington, D. C. where he will act as an instructor in the summer's summer school. No recruit, the officer has been detailed to take the place of Mr. Quinn, who has been stationed in Lowell for nearly three months.

## MISSING FROM HOME

Former Lowell Girl Dis-

appears in Lawrence With  
13 Months Old Baby

Mrs. William Pultar, 166 Willow street, Lawrence, formerly Miss Ethel Webster of Lowell, or sometimes known as Ethel Dugdale, disappeared from her home last Tuesday forenoon.

MRS. WILLIAM PULTAR, 166  
WILLOW STREET, LAWRENCE, MA.  
WITH HER 13-MONTHS-OLD BABY GIRL.

With her 13-months-old baby girl, since that time there has been no clue as to her whereabouts.

Her husband came to Lowell today in an effort to locate his wife and child and appealed to the press to assist him. She is well known in the city, he says, and for a time worked in the bakery of William S. Johnston, 131 Graham street. She used the name of Dugdale as well as that of Webster.

In discussing her disappearance Mr. Pultar declared he knows no reason why his wife should leave home and while he is not prone to believe she has come to any harm, he cannot understand why she should go away without leaving word. He does not know how much money she had with her at the time, although he believes she had about \$1 of it and some of her own.

## PLANTS WILL CLOSE DOWN FOR WEEK

The plants of the Merrimack Mfg. Co., Massachusetts mills and Helme Electric Co. of this city and the Talbot mills of North Billerica will shut down tomorrow noon until Monday morning, July 2.

At the Merrimack Mfg. Co. the shut-down is in order to give the employees their annual vacation. At the Helme Electric Co. it was stated that the plant would close for the annual inventory, while at the Massachusetts mills the reason given for the shut-down was "annual inventory."

As far as could be learned all the other manufacturing plants of the city will shut down Wednesday, July 4, although some of the mills may shut down later to give their employees a rest.

## COMPANY D CAPTAIN SUBMITS RESIGNATION

Captain George D. Crowell of Company D, 182nd Regiment, has submitted his resignation to the adjutant general's office at Boston, and will officially retire as head of the organization within the next few days. Business reasons are offered by the retiring officer, as his desire to retire from national guard activities. Company D, a machine gun organization, has been developed into one of the most capable outfits in the regiment under the leadership of Capt. Crowell.

## CHARGES USE OF MAILS TO DEFAUD

BOSTON, June 29.—Max Yucht of New York and his brother, Louis R. Yucht of Worcester, pleaded not guilty in the federal district court today to several indictments for using the mails with intent to defraud and were held in \$5000 bonds for trial later. The government charges that the two men through the operations of the Anchor Mercantile Co., of this city, obtained large amounts of wearing apparel from various jobbers throughout the country, and then disposed of part of the goods. Goods valued at several thousand dollars were seized at the company's office a month ago by postoffice inspectors.

# CAMP DEVENS BAND WILL THEIR SILVER WEDDING

## COME TO LOWELL

Congressman John Jacob Rogers has secured the 5th Infantry band of Camp Devens, said to be one of the finest military bands in the country, to take part in the parade of the American Legion in connection with the reception to National Commander Alvin T. Owsley of the legion, who will visit Lowell, July 12, announces Commander Joseph A. Molloy of Lowell post 57. The marchers will meet the visiting legion head at the station, and then parade to city hall, where the key of the city will be presented to Commander Owsley by Mayor John J. Donovan.

A public reception will follow and the marchers will proceed to the Memorial Auditorium where a banquet will be served. The Lowell commander is anxious to have the manufacturers of this city present in the noted visitor products of their making, in order to give him an idea of the industries of Lowell, and several manufacturers have announced their intention of presenting some of their products to the legion head.

The committee appointed to make arrangements for the reception is working out additional details for the affair. The chamber of commerce and the citizens committee will meet with Legion committee Monday night to formulate final plans for the entertainment of Commander Owsley. There will be an important meeting of Post 57 of the American Legion at the quarters in the Memorial Auditorium Monday night, announces Commander Molloy. A large attendance is desired as the reception and other important matters will be discussed and acted upon. The meeting will be called at 8 o'clock.
